- Notes:
- (i) A separate form must be completed for each Official Geographic Name proposal – Section 15(2)(a) refers.
  - (ii) Refer to the accompanying 'Guidance Notes' when filling out this form.
  - (iii) Complete all sections of the form and attach any extra pages or other supporting documentary evidence.
  - (iv) The information you supply is subject to public scrutiny. Personal information provided in this form and any attachments, will be held by Land Information New Zealand *Toitu te whenua*, and may be used for the purpose of consultation on your proposal. The provision of this information on this form is not mandatory or required by law, but failure to provide this information will mean that your proposal cannot be considered. Pursuant to the Privacy Act 1993, you have the right of access to, and correction of, personal information provided in this form and any attachments.
  - (v) Information considered to be culturally, historically or spiritually sensitive will be treated with respect.
