

Public Notice

**Resumption of Aquatic Weed Control Operations Lake Dunstan
On behalf of Land Information New Zealand**

Landward Management Limited is programming the recommencement of the Lake Dunstan Aquatic Weed Control Programme as from

Monday the 17th of March 2003.

The work will be carried out by Amuri Helicopters Limited.

The exact day of operations will be dependent upon conditions. A notice will be broadcast on Radio Central the day prior to the planned day of operations as dictated by weather and water conditions.

The sites to be treated as part of this programme are:

Champagne Gully

Jacksons

Old Cromwell from the Alpha Street car park to 100 metres past the two boat ramps
Weatherall Creek.

The contractor for application of operation is Amuri Helicopters Limited.
