Dear Tim

**FISH AND GAME RESOURCES REPORT FOR BAUCHOPS HILL TENURE
REVIEW**

The Bauchops Hill property is located at Mackenzie Pass and is approximately 2000 hectares in total area. The property contains sections of Hayter and Avalanche Streams however there is little in the way of Fish and Game values here. These streams are however contributors to the Te Ngawai River which holds fishery values.

If you require any further information regarding this property please do not hesitate to contact me.

Yours Sincerely
