

<b>Purpose</b>	Install the Landonline Print-to-TIFF driver that allows documents and images to be converted to a Landonline-compatible format.
<b>Step</b>	<b>Description</b>
1	<p>For XP and 32 bit: <a href="#">Download the Landonline Print-to-TIFF drive x86 (version 3.03) (EXE 2.0MB)</a></p> <p>For 64 bit: <a href="#">Download the Landonline Print-to-TIFF drive x64 (version 3.03) (EXE 2.8MB)</a></p> <p><b>Reinstalling the print driver?</b> Make sure you uninstall the old driver and restart your computer before installing the new version.</p>
2	<ul style="list-style-type: none"><li>• A <i>File Download</i> screen will appear</li><li>• Choose <b>Save this program to disk</b></li><li>• Click <b>OK</b></li><li>• Choose an appropriate location to save the file to. (Take note of the location and filename)</li></ul>
<b>Note</b>	We recommend using a "Save" option as it means that you will not need to download the installation file a second time.
3	<ul style="list-style-type: none"><li>• Once the file has downloaded, open it from the location that you saved it to and double click on "Setup_x86_LandOnlinePrintToTiff_v3.03.exe" for 32 bit systems or "Setup_x64_LandOnlinePrintToTiff_v3.03.exe" for 64 bit systems.</li></ul>
<b>Alert</b>	You must be logged in with <b>Administrator rights</b> for this installation.

- When prompted with the Security Warning screen, click **Run** to install

4

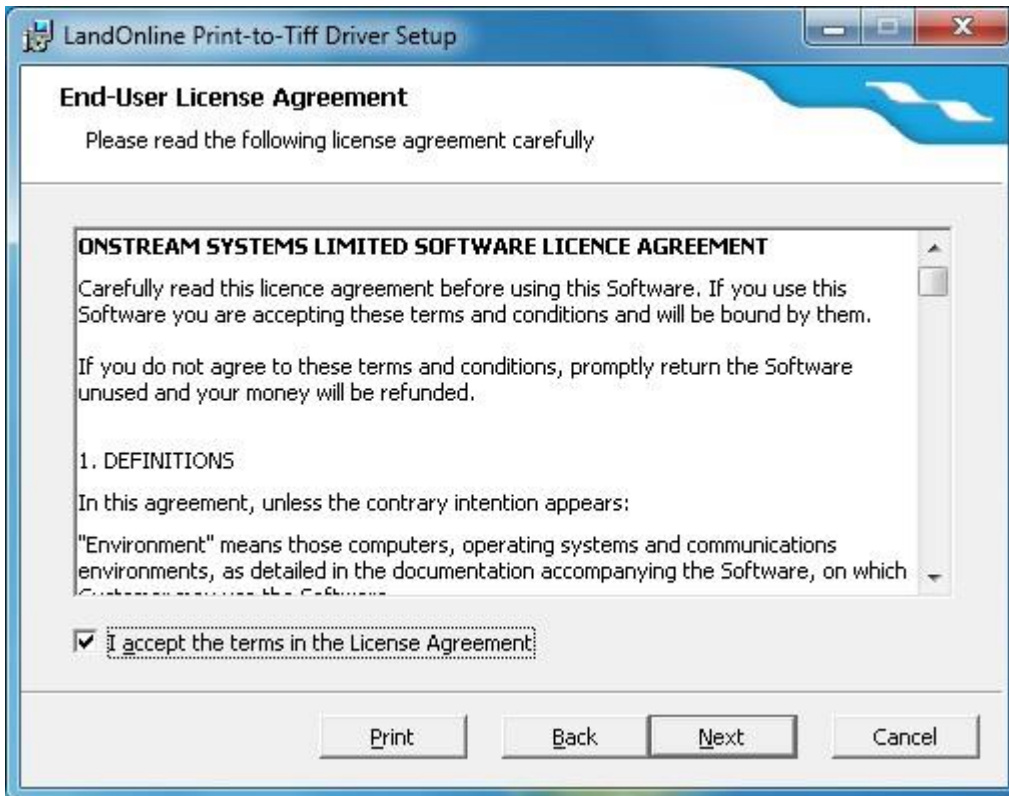

- Click **Next**.

5

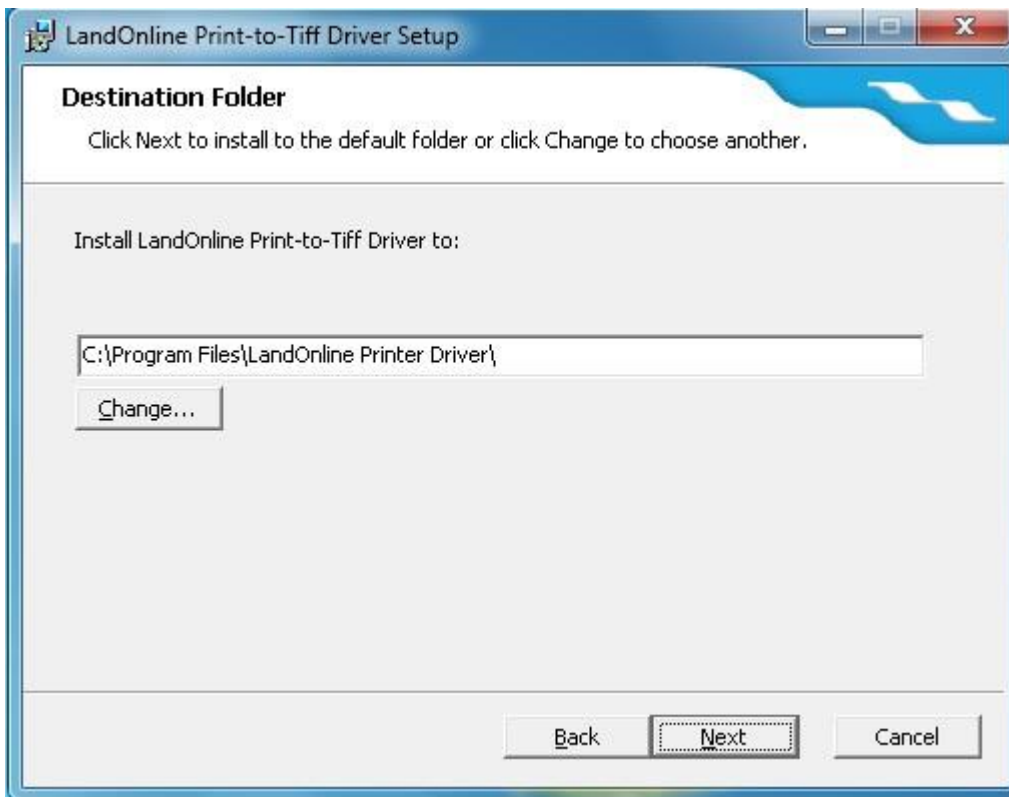

- Tick "I accept the terms in the Licence Agreement" and click **Next**.

6

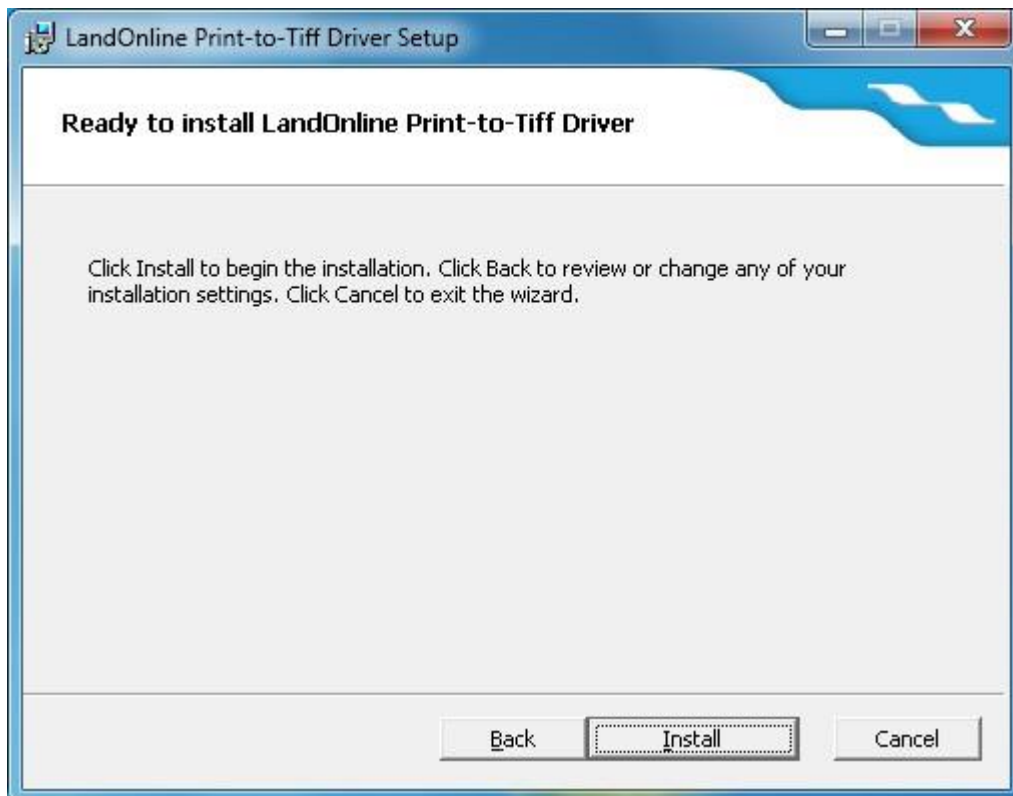

- Click **Next**

7

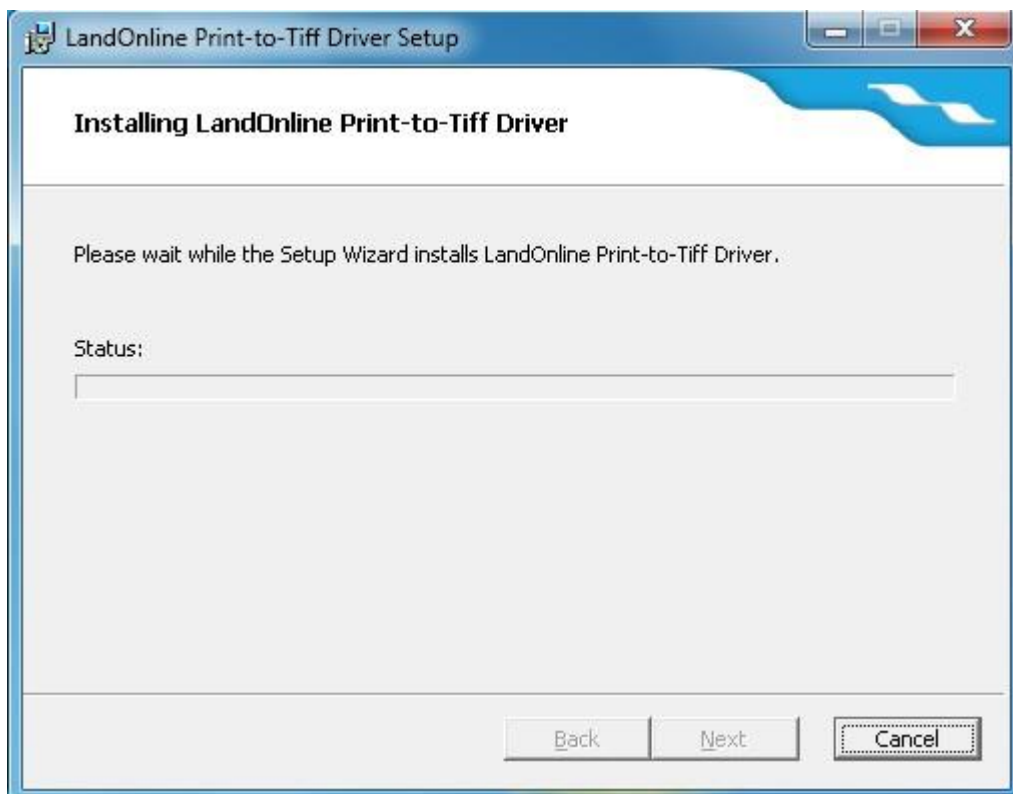

- Click **Install**.

8

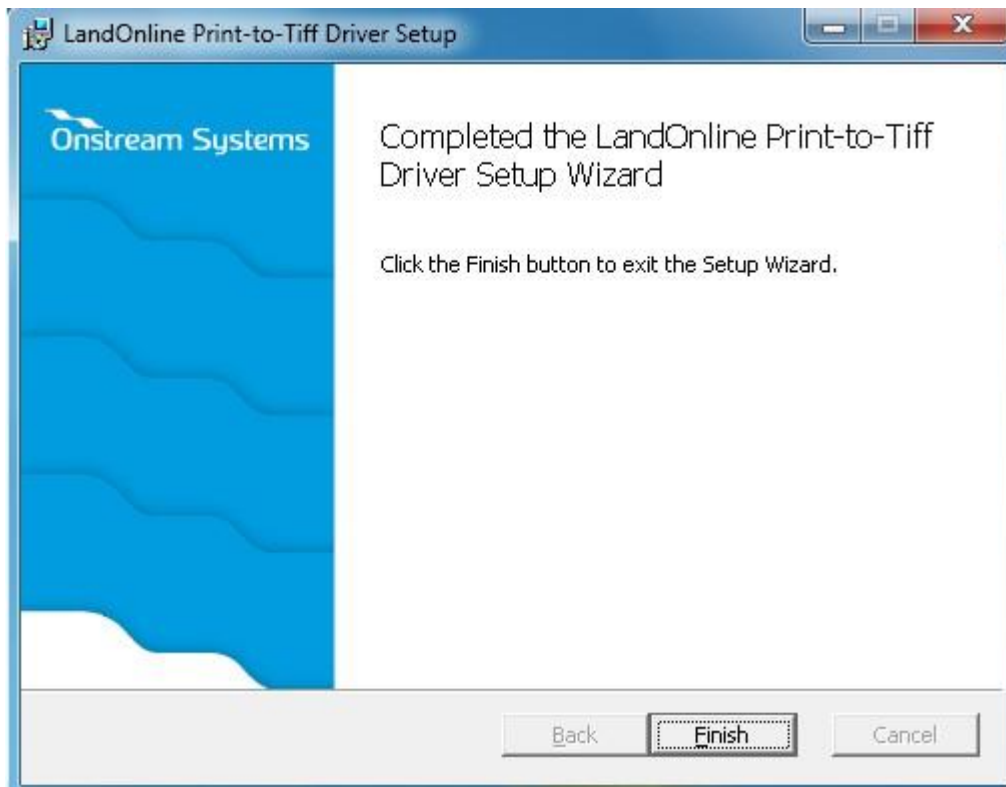

- Wait while the setup wizard installs.

9

- When complete, click **Finish**.
- You may also be prompted to restart your PC.

10

---

To create TIFF images that are compatible with Landonline, use the print-to-TIFF driver as though it is a printer:

11

- Click **Print**
- Select '**Landonline Printer Driver**' as your printer and Click **OK**
- Choose a location to save the file to
- Click **Save**
