- Conveyance 40851 dated 18 August 1914 conveyed 0 acres 3 roods 14.5 perches from Margaretta Anna Dora Max to the Waimea West Road District for the purposes of a public utility as recorded in Deeds Index 7/280.
- Part Gazette 1928 page 29 dissolved the Waimea West Road Board and merged it with the Waimea County.
- Local Government Amendment Act (No3) 1988 the reorganisation proposal in respect to the union of Richmond Borough, Motueka Borough and Waimea County to form Tasman District authorised to proceed.
- Local Government Reorganisation Order 1989 (Nelson- Marlborough Region) in Gazette 1989 page 2375.
- **The current documentary owner of the land through local Government succession is Tasman District Council.**

Historical investigation:

- In Gazette 1984 page 657 (GN 239427.1), the reservation of the land (public utility reserve), has been revoked and authority was given to the Waimea County Council, to sell the land and to use the proceeds to purchase other land for reserves.
- Legalisation Card SO 12622 evidences that Gazette 1984 page 657, was lodged for registration as GN 239427.1. LINZ staff advises that this document is "lost".
- Further investigation of historical file 9/201 Volumes 5, 6 and 7 evidences that GN 239427.1 was rejected on 19/4/84, pursuant to Section 43 of the Land Transfer Act 1952 on the basis that the Gazette was contrary to the provisions stated in Conveyance 40851, which vested the land in the Local body as a public utility forever.

A copy of the abstract detailing the reasons for the rejection is attached. The terms of a conveyance cannot fetter a statutory power and the rejection is therefore invalid. However, as there is no evidence to indicate that the land was ever declared a reserve, the gazette notice revoking the reserve is invalid and of no effect and therefore the dealing and the rejection must be disregarded.

Unregistered documents

- Copy of Conveyance 40851 being in Deeds Record Volume 50 folio 315, Deeds Index 7/280
- Part Gazette 1928 page 29
- Gazette 1984 page 657.

Details of mortgages, encumbrances or claims affecting the land

- There appears to have been no notices served.

Details of Occupation of the land

- The land is currently fenced in with adjoining legal road. The land and the adjoining legal road is occupied by Stuart Bruce Drummond pursuant to a Licence to Occupy between the Tasman District Council and Mr Drummond. Mr Drummond pays rental of \$100.00 pa. The land is grazed by Mr Drummond as a block with his adjoining land.

Issue of title

- There appears is no sufficient cause to the contrary to bringing the land under the Land Transfer Act 1952.
