Dear [s 9(2)(a)]

Demolition of the Building at 2 Emmett Street, Christchurch.

Thank you for your demolition plan which you have submitted for approval for the demolition of the building at 2 Emmett Street, Lot 178,179,180 DP 15482. This has now been approved and commissioned in terms of the section 38 of the Canterbury Earthquake Recovery Act 2011 (CER Act).

For the avoidance of doubt, I note the start date will be 4 April 2012, with completion not later than 25 April 2012.

If you feel that you are unable to meet any of these requirements, please notify me at demolitioncontracts@cera.govt.nz within one working day of receipt of this letter. Further, if demolitions do not proceed in accordance with the plan outlined above, CERA may take over responsibility for the management of your building demolition.

Please email the CERA Demolition Project Management Office on demolitionspmo@cera.govt.nz before the works begin. Please quote job number C8492.

Yours sincerely
