

Proof of identity

Instructions

1. Photocopy your current Government issue photo ID (passport, drivers licence – both sides, or firearms licence) onto the space provided on the attached form, inside the box. The photocopy should clearly show the number of the ID and the expiry date. The photocopy must be legible and the photo clear.
2. Complete and sign the form under Applicant's details.
Note: Your signature must match the signature on the identification provided. If the name on the identification differs from the signature please also provide evidence of the name change (e.g. marriage certificate, civil union certificate or deed poll).
3. Certify ID. (Not required for Web Search only users) Take your original Government issued photo ID along with this completed form to a solicitor, Registrar of the High or District Court, Justice of the Peace or a Notary Public and have that person certify it as true and correct.
4. Please scan and email completed paperwork as a PDF to lolsignup@linz.govt.nz Note: All scans must be clear, readable, and in full colour.

Proof of identity

Applicant's details

First name		Last name	
Account name			
Street address			
Signature			

Certifier's details – not required for Web Search only users

Certifier's official stamp

I [name]			
a [designation]			
of [place]			
certify that this is a true and correct copy of an original document which I have sighted, and the name and signature provided match and are that of the individual named and for whom identification is provided.			
Signature		Date
