Response to your official information request

Thank you for your official information request received on 18 January 2023 for information on the Data Analyst role. Please find Toitū Te Whenua Land Information New Zealand's (LINZ) response to your request below.

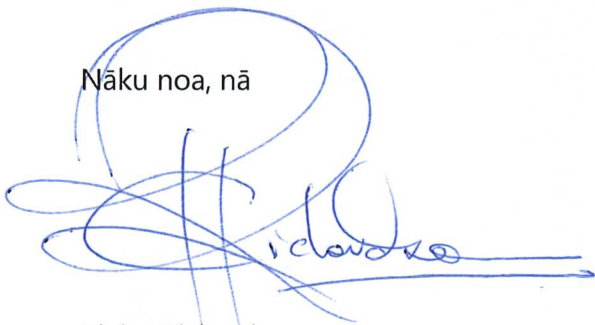

1. *The number of external applications (non-LINZ) that applied for the role.*
 - There were 155 applications (non-LINZ) received for the role.
2. *Of those applications:*
 - i. *the number of applications by agencies.*
 - There were no applications from recruitment agencies.
 - ii. *the number of applications by individuals (without using the agencies).*
 - Please refer to question 1.
3. *Of those individuals:*
 - i. *the number of applicants previously employed by LINZ.*
 - There were no applicants who were previously employed by LINZ.
 - ii. *the number of applicants who have never been employed by LINZ.*
 - Please refer to question 1.
4. *Of those external applications, how many have a disability? And how many of those were from the agencies?*
 - During our application process Toitū Te Whenua encourages applicants to disclose if they need any additional accommodation to enable them to participate in the recruitment process on the same basis as other candidates. We do not specifically ask for disclosure of medical or disability status within the application form. As a result, we cannot report on the number of applicants with disabilities.
