KiwiRail Letter of Support for the Change of Name from National Park to Waimarino

Kia ora Pieta

Thank you for reaching out to KiwiRail regarding this matter. Dale Philip from my team has passed on your request.

KiwiRail is particularly supportive of the proposal to change the name from National Park to Waimarino and will happily stand beside Te Korowai o Wainuiārua, as recognised Tangata Whenua in backing this.

As an aside, KiwiRail has just installed dual name signage at the National Park Railway Station to reflect this historic name.

Please let me know if you would like to discuss this matter further.

Kind regards

Mike Brown
