Glossary

Adjoining owner

This provision relates to section 40(4) of the Public Works Act 1981, and provides for land where, due to its size, shape or situation, could not be expected to be sold to any person who did not own land adjacent to the land to be sold. The land may be sold to an owner of adjacent land at a price negotiated between the parties.

Awaiting Unconditional Date

An agreement for sale and purchase has been entered into and settlement will occur in the near future (Stage 4 – Open Market Sale).

Landbank

The property is being transferred to the Landbank, which is administered by Toitū Te Whenua, for use in a future settlement. This process is known as “landbanking” (Stage 3 – Treaty Settlement)”.

MPM

The Māori Protection Mechanism process involves identifying surplus Crown-owned land for inclusion in Treaty settlements.

Offer back

Toitū Te Whenua has made, or is about to make, an offer of the property to its previous owner, or their successors, under Section 40 of the Public Works Act (Stage 2 – Offer back and Gifted Lands).

Open Market Sale

The property is now available for purchase by anyone on the open market (Stage 4 – Open Market Sale).

Other Clearances

Toitū Te Whenua is obtaining the appropriate Ministerial approvals and advice from the Department of Conservation, Heritage New Zealand, Kainga Ora and the Ministry of Housing and Urban Development (Stage 1 – Land No Longer Required).

Other Public Work

Toitū Te Whenua is assessing whether other agencies such as government departments or local authorities need the property. This only applies to properties held under the Public Works Act (Stage 1 – Land No Longer Required).

Te Arawhiti Clearance

Te Arawhiti - the Office for Māori Crown Relations is considering whether the property should be purchased for a future settlement. This step is only applied when the property is not subject to an existing Treaty settlement (Stage 3 – Treaty Settlement).

Preferential Allotment

The Commissioner of Crown Lands is considering whether to offer the property for “preferential allotment” to a particular purchaser instead of sale by public tender or auction. This applies only to properties held under the Land Act 1948 (Stage 4 – Open Market Sale).

Return of Gifted Land

The property was gifted to the Crown for a particular purpose and Toitū Te Whenua is currently applying the government’s gifted lands policies (Stage 2 – Offer back and Gifted Lands).

Right of First Refusal

Toitū Te Whenua has offered, or is about to offer, the property to iwi under a Treaty settlement (Stage 3 – Treaty Settlement).

Sale to Crown Agency

The property is being transferred to another Crown agency (Stage 1 – Land No Longer Required).

Sale to Local Authority

The property is being transferred to a local authority (Stage 1 – Land No Longer Required).

Section 40 Investigation

Toitū Te Whenua is assessing whether it needs to offer the property for sale to the person from whom it was acquired, or to their testamentary successor (Stage 2 – Offer back and Gifted Lands).

Private Treaty

The sale of property by negotiation.
