Hi team - couple of things from my catch up with Amanda on primary BIM:

- Confirming it's Land Information New Zealand Toitū Te Whenua (LINZ), then LINZ throughout. She's seen it incorrect in a couple of briefs ([Dennis](#) when back, [Allanah Emma](#))
- Simon is adding in lines in the supplementary briefs to explicitly call out manifesto commitments ([Dennis](#), [Allanah](#), [Emma](#) tba) - he's adding them with a highlight on it
