Response to your official information request

Thank you for your official information request received on 23 January 2024 for information relating to ICT staff at Toitū Te Whenua Land Information New Zealand (LINZ).

Some of the information you have requested is enclosed. However, information relating to:

- Scrum masters
- Product owners
- Permanent or Fixed-term staff in non-established roles¹

is not included as we don't have specific Scrum Master or Product Owner role titles in our organisation. Although we have people who undertake this type of work, because these titles are not part of the broad-based role structure at LINZ, we cannot report on this.

We also don't have permanent or fixed-term staff in non-established roles. Therefore, the above part of the request has been refused under section Section 18(g) of the Official Information Act because the information requested is not held.

As noted above LINZ uses broad-based roles. In answering this response, we have taken an enterprise view; we have included any staff with roles as requested. Some are located in our ICT function, and some are based in a different function but work on ICT projects or services. For example, Data and Business analysts.

Please see **Attachment 1** for the response.

¹ We do not have any permanent or fixed term people in non-established roles. We have provided information on Contractors and Consultants in non-established roles.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note, this response letter outlining our decision on your request, **with your personal details withheld**, and any attached documentation will be published on the LINZ website. This is likely to be published in March.

Nāku noa, nā
