Response to your official information request

Thank you for your official information request received on 9 May 2024 relating to OI consent 201810232 and 201900310 - CDL Land New Zealand Limited's - Acquisition of 8.1749 ha & approx 3 0915 ha at Arataki Road, Havelock North, Hastings.

You enquired about the following:

The amended decision required the Condition be satisfied by 31 June 2022. Please advise if the condition has now been satisfied [& when satisfied], & if not, what action has been taken as a consequence of any on-going breaches?

We are of the view that CDL met the requirements of Special Conditions 1(a) and (b) on 2 May 2022 when it lodged a non-complying resource consent application with the Hastings District Council (**HDC**).

After discussions between the parties, CDL resubmitted an amended application to HDC on 5 September 2022. The due date for compliance with Special Condition 1(c) is 31 June 2024. It is likely that CDL will apply to LINZ to vary its consent conditions prior to that date.

Please note, this response letter outlining our decision on your request, **with your personal details withheld**, and any attached documentation will be published on the Toitū Te Whenua Land Information New Zealand website. This is likely to be published by 30 June 2024
