A further response to your official information request

Further to the information released to you on 17 January 2025, attached electronically are copies of the original Board *Proposals Report* and original Board *Submissions Report*, being Attachments #2 and #3 to Briefing 25-143. We have not provided you with Attachment #1 to the Briefing as we assume you have retained copies of your own proposals. To protect individual privacy, the names of two submitters in the *Submissions Report* are withheld in terms of section 9(2)(a) of the Official Information Act 1982.

We initially considered that because copies of the Board's *Proposals Report* and *Submissions and Recommendation Report* were already available online at <https://www.linz.govt.nz/consultations/takaanini>, they did not need to be provided to you. However, the copies of reports we make available on the Toitū Te Whenua LINZ website differ to the copies provided to the Minister for Land Information:

- Secretariat recommendations and options are replaced with the Board's decisions and recommendations,
- Personal information is removed,
- The heading is reformatted.

I also note an error in the 17 January 2025 response to you - the table of media articles was Attachment #4 to the Minister's Briefing, not Attachment #5.

You have the right to ask the Ombudsman to investigate and review this response and the information provided. Information about how to do this is at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you wish to discuss this response and the information provided, please contact Wendy Shaw, Secretary for Ngā Pou Taunaha o Aotearoa New Zealand Geographic Board at wshaw@linz.govt.nz.

This additional response letter with your personal details withheld and one of the attached documents with redactions, will eventually be published on the Toitū Te Whenua Land Information

New Zealand website at <https://www.linz.govt.nz/about-us/information-releases> together with the prior response and documents released to you.

Nāku noa, nā

Acting Chairperson, New Zealand Geographic Board Ngā Pou Taunaha o Aotearoa
