2	Qualtrics	s.9(2)(a)	6/06/2024 14:24	s.9(2)(a)	s.9(2)(a)	Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	The name should remain as Takanini Railway Station	Suspect that this is the same person as s.9(2)(a) due to similarity of name, same IP address, content of submission	s.9(2)(a)
3	Qualtrics		6/06/2024 15:07			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Just a silly move that will make the spelling unintuitive.		s.9(2)(a)
4	Qualtrics		6/06/2024 18:39			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	- Takanini is much easier to spell - Takanini is shorter which makes it easier to communicate - There is no point spending money on rename which can be spent on important services, e.g. improving railways		s.9(2)(a)
5	Qualtrics		6/06/2024 18:41			Auckland	None	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	History has been made. Once again, the minority are able to dictate to the rest of the country.		s.9(2)(a)
6	Qualtrics		6/06/2024 19:04			Drury		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	In this challenging economy for NZ citizens and government thinking of changing the name of a suburb with an additional letter seems ludicrous and will cost significant taxpayers money. The priority should be very low on the list of change.		s.9(2)(a)
7	Qualtrics		6/06/2024 19:45			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	aste of rate payers and tax payers money. No value add by renaming. Keep the name as is.		s.9(2)(a)
8	Qualtrics		6/06/2024 20:18			Mount Albert	A visitor and family in the area for 50 years	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	The name Takanini has served the area well, why change it now? The names of places need a reason to change, why change a perfectly acceptable name by adding an extra 'i' to it? There are far more important issues going on in New Zealand without adding to the cost of numerous name changes, signs, maps etc that can run into thousands of dollars, money better spent elsewhere		s.9(2)(a)
9	Qualtrics		6/06/2024 20:30			Wellington	Rate/Taxpayer	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	What a waste of time & money. Everyone knows it as "Takanini Railway Station" and it has been called that for years		s.9(2)(a)
10	Qualtrics		6/06/2024 20:43			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	There are better ways to spend taxpayers money. Nobody cares about whose land it was, Takanini is a more sensible spelling.		s.9(2)(a)
11	Qualtrics		6/06/2024 20:46			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Waste of money in a recession. Put that money into fixing the tracks and rail infrastructure		s.9(2)(a)
12	Qualtrics		6/06/2024 20:54			s.9(2)(a)		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Taxpayers money needs to be spent more responsibly and on projects that enhance the community. Changing the name will not make anyone appreciate or remember the person whose name it was under originally. Maori had no written scripture or language, words and places are all written using the English alphabets so why create such fuss now.	Suspect that this is the same person as s.9(2)(a) due to similarity of name, same IP address, content of submission	s.9(2)(a)
13	Qualtrics		6/06/2024 20:58			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I wish the station to remain as it is currently - Takanini Railway Station. All this name changing has totally got out of control in my opinion.		s.9(2)(a)
14	Qualtrics		6/06/2024 21:22			Lower Hutt	New Zealander	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I object because it is a waste of money to change all signage and references to Takanini in official document when this money could be spent on the vulnerable and needy in Auckland. I would rather see the money go towards housing, mental health, roading, food banks, doctors, nurses, teachers, child care, assisting small business than adding an 'i' to a sign		s.9(2)(a)
15	Qualtrics		6/06/2024 22:18			Karaka		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	It is what it is, why change it now. We already have and know the name, this is unnecessary. I find the change offensive.		s.9(2)(a)
16	Qualtrics		6/06/2024 22:22			Grey Lynn		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I object as I do not believe this is supported by rate payers or any Council mandate  If the Council is doing this, why not just put a macron over the a like ā rather than remove and create new signs  This is a waste of rate payers money		s.9(2)(a)
17	Qualtrics		6/06/2024 22:23			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	These kind of name changes and updates can be endless. The more we do this the more divided our society is becoming. Furthermore, the cost of these name updates and changes will add to burden of our council and government in the time of economy recession and budget blowout.		s.9(2)(a)
18	Qualtrics		7/06/2024 0:55			Auckland	Ratepayer	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	It is the Takanini Train Station located in Takanini. No name change necessary or appropriate.		s.9(2)(a)
19	Qualtrics		7/06/2024 6:19			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	A waste of money. Very happy with the existing name(s). Spend the money on feeding the children or some other good cause.		s.9(2)(a)
20	Qualtrics		7/06/2024 9:08			Takanini	Fourth Generation Takanini Resident	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	This is a monumental waste of time and resources. Takanini might have been named after Wirihama Takaanini but there are many places around New Zealand and the world named in honour of people that are actually spelt differently. This is a waste, a horrible, virtuous exercise which is only going to cost tax payers, rate payers and local businesses REAL money for no real tangible benefit whatsoever. Who is going to pay for all the rebranding of local businesses, reprinting of letterheads, business cards, updating websites, reprinting road signs and so on? This is a perfect example of people not having anything better to do than spend other people's money on rubbish when it could have been deployed somewhere where it actually makes a difference. Those of us who live here and pour our blood and sweat into this place know it as Takanini and have done for generations. Leave it as it is an focus of something more important.		s.9(2)(a)
21	Qualtrics		7/06/2024 11:19			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	This is an absolute waste of time and money having to change for the sake of spelling. Who ever proposed it could spend all their money on having all the changes done. Think of all the people who live in the area(businesses) that have to change everything at a cost to them. Stop changing all names into Maori it not a good look for our tourism		s.9(2)(a)
22	Qualtrics		7/06/2024 11:32			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	There is no logical or practical reason for such a ridiculous idea, a total waste of effort and money. To most, if not all, the sound of the name will be the same, further highlighting the stupidity of this suggestion.	s.9(2)(a)	
23	Qualtrics		7/06/2024 16:45			Auckland	Owner in Takanini	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Revert to Takanini I strongly feel that this location is as Takanini - it looks wrong to have 2 spellings 1- Cost on our struggling economy to change incl requirement by MANY businesses in the area is too much expense to change. 2- These name changes are so foolish, it really does not matter to change. 3- This is all such a waste of time and money really, lets focus on making the area nice again!	s.9(2)(a)	
24	Qualtrics		7/06/2024 17:31			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	this new proposed Maori name add more complex and difficult to locals and travellers, it is no good for our daily lives and our travel industry. 1. English is our official language 2. For a immigrant it is not easy to learn english, why bother to learn another language. 3. for so many kiwis, do you figure out how many percentage people master maori language, the result is very little. this is the reason why we don't need to advocate or force people to learn Maori culture or language. 4.let the people who have real really interest to learn Maori culture or language to learn, this is a free world, this is why we come all the ay to here for better lives.	s.9(2)(a)	
25	Qualtrics		7/06/2024 18:27			Takapuna		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I am sick and tired of Maori Supremacist history revisionists making purile and false claims. It was the White man, mainly English in the form of missionaries, government agents, explorers and academics who made Maori a written language. These people were experts and worked diligently to ensure that the captured the nuances of various dialects into one body. Modern Te Reo was invented in 1986 as a teaching aid for young children. Prior to White people inventing it there was NO written Maori language. In fact there was NO common language when White people first arrived and no Maori only iwi. The linguists that wrote down place names in Maori were very careful to make sure the got it correct- in the written language that they gifted to the collective iwi of New Zealand. Wh idia soft wuh sound NOT a hard FAR. This change came about around 1983 probably started by some drunk thoughtless descendants of turekareka in Whangarei.  There is no-one alive today that can say and prove that there should be an extra "a" in the spelling especially as those proposing it are of mixed race and don't know history. Those that wrote the books with place names were correct.	s.9(2)(a)	
26	Qualtrics		8/06/2024 0:31			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	leave it as it is, Takanini.	s.9(2)(a)	
27	Qualtrics		8/06/2024 13:07			The Gardens, Manurewa		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I do not support the mindless renaming of Takanini or the costs that will be a burden on ratepayers & taxpayers.	s.9(2)(a)	
28	Qualtrics		10/06/2024 22:00			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	The name must have been with maori input originally or it wouldn't have a maori name. It has been takanini for a long time. there are costs for name change to councils and businesses. It is confusing and hard to pronounce. Google maps - it is doesnt work if it is misspelled as it will be if it is changed and google maps cant pronounce difficult names.	s.9(2)(a)	
29	Qualtrics		11/06/2024 10:14			Kohimarama	Citizen of South Auckland for 60 years	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Language evolves involuntarily and Takanini is the wonderful name considered Normal and in use since 1950 for this area and railway station. In 1930 following a request from Te Kaitiaki Take Kōwhiri Association, the Honorary Board confirmed that Takaanini was correct. However, in 1950 the Geographic Board agreed to alter the locality, post office and railway station names back to Takanini based on 'established use' and incorrect or misinterpreted orthographic advice. In considering that the [aa] was a long vowel, it was considered acceptable practice at the time to drop a reduplicated vowel. Language evolves through common acceptance and use.  It serves no purpose other than to appeal to one person or minority sectors wishes To force a halfhearted Te Reo version on the current population of this area and station Despite the cost of changing signage and documentation reference maps and confusion for travelers on the train who arrive at Takanini then be unsure as signage is contradictory Leave the name Takanini as the cost of change is unnecessary	s.9(2)(a)	
30	Qualtrics		12/06/2024 9:15			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I don't think utilizing tax payers money to change an already established name in a time of recession is required.	s.9(2)(a)	
31	Qualtrics		15/06/2024 11:56			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Too much Maori names around now, nobody knows what anything is anymore and with all the Maori getting everything handed to them on a plate the last 6 years and the way they get away with everything is helping people including myself to become racist or more racist than they already were. Government and Council are the cause.	s.9(2)(a)	
32	Qualtrics		15/06/2024 20:30			Upper Hutt		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	It is a waste of tax payers money. Unnecessary and more letters than before.	s.9(2)(a)	
33	Qualtrics		18/06/2024 11:32			Auckland		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	This is simply a waste of money to change the name. Creates confusion for people living in area.	s.9(2)(a)	
1	Direct email		21/06/2024 8:30			x		object to the proposal to alter the official place name Takanini to Takaanini	The past is a foreign country  I strongly oppose renaming or "correction" of place names around Auckland and around New Zealand.  We want New Zealanders to be proud of their history. Renaming creates a sense of grievance, that something is so desperately wrong with who we are and who our forefathers were, that we need to correct it at the cost of disorienting the residents of such places.  This is a time where life is becoming more and more difficult for many New Zealanders. Yet, bizarrely, many are dead set on a course to give government departments and places foreign names that make it harder for citizens to discern their purpose and seek succour.  LINZ is funded by the New Zealand tax payer and should be focusing on its core mandates, instead of overreaching and imposing a partisan political view on the world that does not accord with the views of a great many New Zealanders.  I hope this submission can be taken into account.	s.9(2)(a)	
34	Qualtrics		22/06/2024 10:13			Takanini		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	In 1950 the Geographic Board agreed to alter the locality, post office, and railway station names back to Takanini based on 'established use' and other advice. In considering that the [aa] was a long vowel, it is considered acceptable practice to drop a reduplicated vowel.  It would be confusing for locals and businesses to change the name as it is still referred to as Takanini, AT should be impelled to change the signposts back.	s.9(2)(a)	
35	Qualtrics		6/08/2024 15:08			Auckland 0061	Auckland as were my ancestors?	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Since it was built it has been named The Takanini Railway Station and all of its history and commuters memories of it are with the name of Takanini. There is no proof it has ever been named anything else nor has the surrounding area so DO NOT CHANGE THE NAME !	s.9(2)(a)	
36	Qualtrics		12/08/2024 9:02			Alexandra	New Zealander	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Just a total Unnecessary cost. No need for it at all. Why change it at all? Maori didn't have a written language so spelling not an issue.	s.9(2)(a)	
37	Qualtrics		12/08/2024 9:45			Hamilton		object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	inappropriate use of money to simply add an 'i' to the name.  Leave it as it is and has been for many years.	s.9(2)(a)	
38	Qualtrics		12/08/2024 10:16			Auckland	New Zealander	object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	There is no good reason to change it	s.9(2)(a)

39	Qualtrics	s.9(2)(a)	12/08/2024 10:25	s.9(2)(a)	Upper Hutt	Kiwi	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Stop wasting money. Nothing wrong with the name. Fix the roads in that area.	
40	Qualtrics		12/08/2024 10:47		Kerikeri		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Ridiculous waste of money	
42	Qualtrics		12/08/2024 13:47		Wellington	New zealander	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	No need to spend the money and it's its name as it it I suggest Takanini Railway Station	
43	Qualtrics		13/08/2024 15:06		Auckland		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	All names that are currently assigned to anything should remain as they are, no particular ethnicity should have sway over these sorts of things	
44	Qualtrics		13/08/2024 15:22		Tauranga		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	IT JUST LOOKS WRONG. Leave well enough alone.	
45	Qualtrics		13/08/2024 17:20		Auckland	Maniapoto	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Don't see the point and it's a waste of time and money.	
46	Qualtrics		13/08/2024 20:20		Tauranga		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	It's a total waste of time and money. There is nothing wrong with Takanini as everyone knows it. It is only appeasing such a small minority for the massive expense it would be.	
47	Qualtrics		13/08/2024 20:58		Paraparaumu	New Zealand citizen, rate payer and taxpayer	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I disagree with ANY CHANGES to New Zealand place names as the current name are entirely adequate and well known. Changes, especially to contrived Maori place names are invariably confusing. ANY changes should be subject to referendum.	
48	Qualtrics		14/08/2024 6:20		Blenheim		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	My suggestion is to leave the name as it is (no change in name). I cannot see anything positive in changing the name and it is wasting tax payers money	
49	Qualtrics		17/08/2024 14:57		Dannevirke		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Huge cost to business's and ratepayers and taxpayers having to change signage, letterhead to add another letter to a well known Station, at al time when peoples pockets are already stretched severely!	
50	Qualtrics		19/09/2024 21:11		Timaru	McIver clan	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Waste of time and money. Surely all this effort could be used on more important things.	
51	Qualtrics		4/09/2024 21:53		Auckland		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I object to this change due to the cost that will be involved in implementing this name change.	
52	Qualtrics		4/09/2024 22:58		Auckland	European	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Suggest leave it as it is. Not necessary to change. Cost to change is high. History already established. I lived there for 20 plus years and see change as not necessary	
53	Qualtrics		5/09/2024 14:00		Takanini auckland		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Its been takanini as long as ive been around	
54	Qualtrics		6/09/2024 14:15		Auckland		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	WE SPEAK AND WRITE IN ENGLISH AS TAUGHT IN SCHOOLS ALSO TOURISTS CAN NOT PRONOUNCE	
55	Qualtrics		7/09/2024 6:42		Pukekohe		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	Waste of money, will confuse many. Isn't needed. Has been correct for so long.	
56	Qualtrics		7/09/2024 8:21		Takanini/Auckland		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	The name should remain the same, we have much more important things to spend the little funds available on. So much of the infrastructure and community projects go underfunded or unfunded, we can't possibly be expected to support frivolous spending on ideas like this. For example the parks in Conifer Grove have rundown playgrounds that could do with a revamp that would cost a fraction of the name change costs. There are many examples of ways to better spend this money.	
57	Qualtrics		7/09/2024 10:46		Invercargill		I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I was born and raised in Papakura. Takanini has always been Takanini and I don't understand what adding another a will achieve other than wasting public money.	
58	Qualtrics		7/09/2024 20:37		Papakura	Member of greater community	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	It's unnecessary and a massive cost to the community and businesses.	
59	Qualtrics		4/09/2024 12:19		Auckland	New Zealander	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	The station name should match the current suburb name, of Takanini. Note: The suburb name should not changed as is proposed in another current consultation.	
60	Qualtrics	10/09/2024 8:06	Auckland	Indian	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	There's no need to change name it's fine			
61	Qualtrics	10/09/2024 8:07	Auckland	Aucklander	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	I object on the basis that the change is "minor" and is a waste of time and resources in a time when there are bigger problems to deal with.			
41	Qualtrics		12/08/2024 10:52:53 a.m.; 12/08/2024 10:59:10 a.m.		Auckland	iwi.	I object to the proposal to change the name Takanini Railway Station to Takaanini Railway Station	First submission:  Please, just leave it alone. We just don't have the spare money to go about changing the spelling to an extra a. Please spend money on things that will make more of a difference, ie fixing the pot holes. I got a massive puncture driving through 2 pot holes the size of Lake Taupo the other night. It was dark and there were no lights on that side of the street. That is far more important!  Second submission:  It's too expensive to change this. Please just leave it be. We are in debt and don't need to spend money changing all the signage on the train maps inside trains, on the pamphlets, on the website etc etc.	

Made two submissions on 12 August 2024.
