TOKANUI HOSPITAL WATER SUPPLY :
RELINQUISHMENT OF EASEMENT

In 1977 it was necessary to replace the Tokanui Hospital water supply from Te Awamutu township with a bore supply closer to the hospital.

A suitable site was located on land owned by R P & H Short Ltd and after much negotiation, agreements were entered into with the following;

~~Mr H J G Short,~~

- 1 R P & H Short Ltd
- 2 H J G Short
- 3 R M Elliot, M K Graham, M Farrar
- 4 T W J & Z E Hunter, C M & Y Colville.

As part of the agreement it was resolved to supply water to the above named excepting Elliot Graham and Farrar, as the water rights went to their lessees Hunter and Colville. Copies of the agreements are attached for your information.

Shortly after the installation of the supply Mr Short subdivided his land (CsT attached) and it was resolved in a Ministerial letter dated 28 September 1978 (file 36/15/1/1/0/1 folio 3) that the rights passed on to purchasers of the land in question.

The problem now arises in that the bore supply has been discontinued with and a new supply has been hooked up to the upgraded Te Awamutu Borough supply. On reading the relevant agreements, it appears that the board is committed to supply water to the Shorts or those who now have an interest in the land formerly held in CsT 114/22 or 1439/51.

Shortly it is proposed to have a meeting with the Waikato Hospital Board concerning the relinquishing of the easement and disposal of the bore pump and any other items of value. Before this can be done however, I need to establish the extent of the board's liability in terms of the existing easement agreements.

Could I please have your comments on this before I convene such a meeting as well as your thoughts on the practicalities of your attending this meeting also.

Dear Mr Butler,

SMITS, Mr P.P.	Te Mawhai Road	2076,000 ltr/6 months
TAI, Mr L.	Te Mawhai Road	51,000 ltr/6 months
TE HAATE, E.	Te Mawhai Road	121,000 ltr/6 months
TE HAATE, Lil	Te Mawhai Road	109,000 ltr/6 months
TE HAATE, W.	Te Mawhai Road	142,000 ltr/6 months

M.A.F. Farm		2693,000 ltr/6 months
Mangatoatoa Marae		38,000 ltr/6 months

W. CLELAND (ex SHORT) never billed as demand does not exceed a free allocation of 18,000 litres/day.

The above are the only consumers known to us, and I would be grateful too, of any others who should be charged.

There is obviously some discrepancy in readings (not taken by my dept.,) and I propose to clean and check all meters in the near future.

Yours faithfully,

G.V. Vanner
