

Contractor sign-up form for National District Valuation Roll (restricted access) table

For the provision of restricted access to National DVR Data for third-party contractors of public sector bodies.

This data is hosted by Toitū Te Whenua Land Information New Zealand (LINZ) on behalf of Territorial Authorities (TAs), under the terms of a DVR Data Supply Agreement.

Parties in this instance:

Public sector organisation (the PSO):

Contractor business name (the Contractor):

The PSO can access this data under the terms of the [LINZ Agreement for National DVR Data](#) (the Agreement).

The PSO can share confidential [National DVR Data](#) with its service providers, agents and professional advisors on a need-to-know basis and subject to an obligation to keep all of the information confidential.

Confidentiality

The PSO and the Contractor agree:

1. The Contractor needs access to the data for the purpose set out below
2. The purpose set out below is an internal purpose of the PSO
3. The PSO and Contractor have in place a legal agreement that restricts disclosure of the information in accordance with the requirements of the Agreement.

Notes

- Under clause 2.2(a) of the Agreement, PSOs can share these data with third parties contracted by them to provide professional services for which these data bear relevance.
- Contractors will not be granted direct access to these data in the LINZ Data Service.
- This form can be attached to a contract between the PSO and their contractor. A copy of the form should be returned to LINZ.
- The PSO should inform LINZ when their contract ends.
