Dear Suzanne

TENURE REVIEW – BEN DHU

The following report provides an assessment of the Fish and Game values associated with the Ben Dhu property.

1. The Quail Burn is a spawning and juvenile rearing area for the trout populations of Lake Benmore and the Ahuriri River.
2. We request that the marginal strips are laid off alongside the Quail Burn where it lies within the property.
3. We request that any wetland area as depicted on the map, and that is still in existence, is retained in full Crown ownership.

Yours faithfully

Vaughan Lynn
Fish and Game Officer
