Photo # 1 Shows most of Donald Stuart Creek below its headwaters, which are in Lauder. It shows the amount of woody vegetation on the property, which should be protected with a covenant. To the left is the boundary with Lauder and to the right the boundary with Cambrian Hills

Photo # 2 Shows Lauder homestead and the cultivated right basin of Woolshed Creek above it on Lauder. To the left of which is the spur up which a shared track runs up hopefully to the Lauder Tussock Reserve. a b c
