

Crown Pastoral Land Tenure Review

Lease name : CASTLE DENT

Lease number : PO 196

Conservation Resources Report - Part 2

As part of the process of Tenure Review, advice on significant inherent values within the pastoral lease is provided by Department of Conservation officials in the form of a Conservation Resources Report. This report is the result of outdoor survey and inspection. It is a key piece of information for the development of a preliminary consultation document.

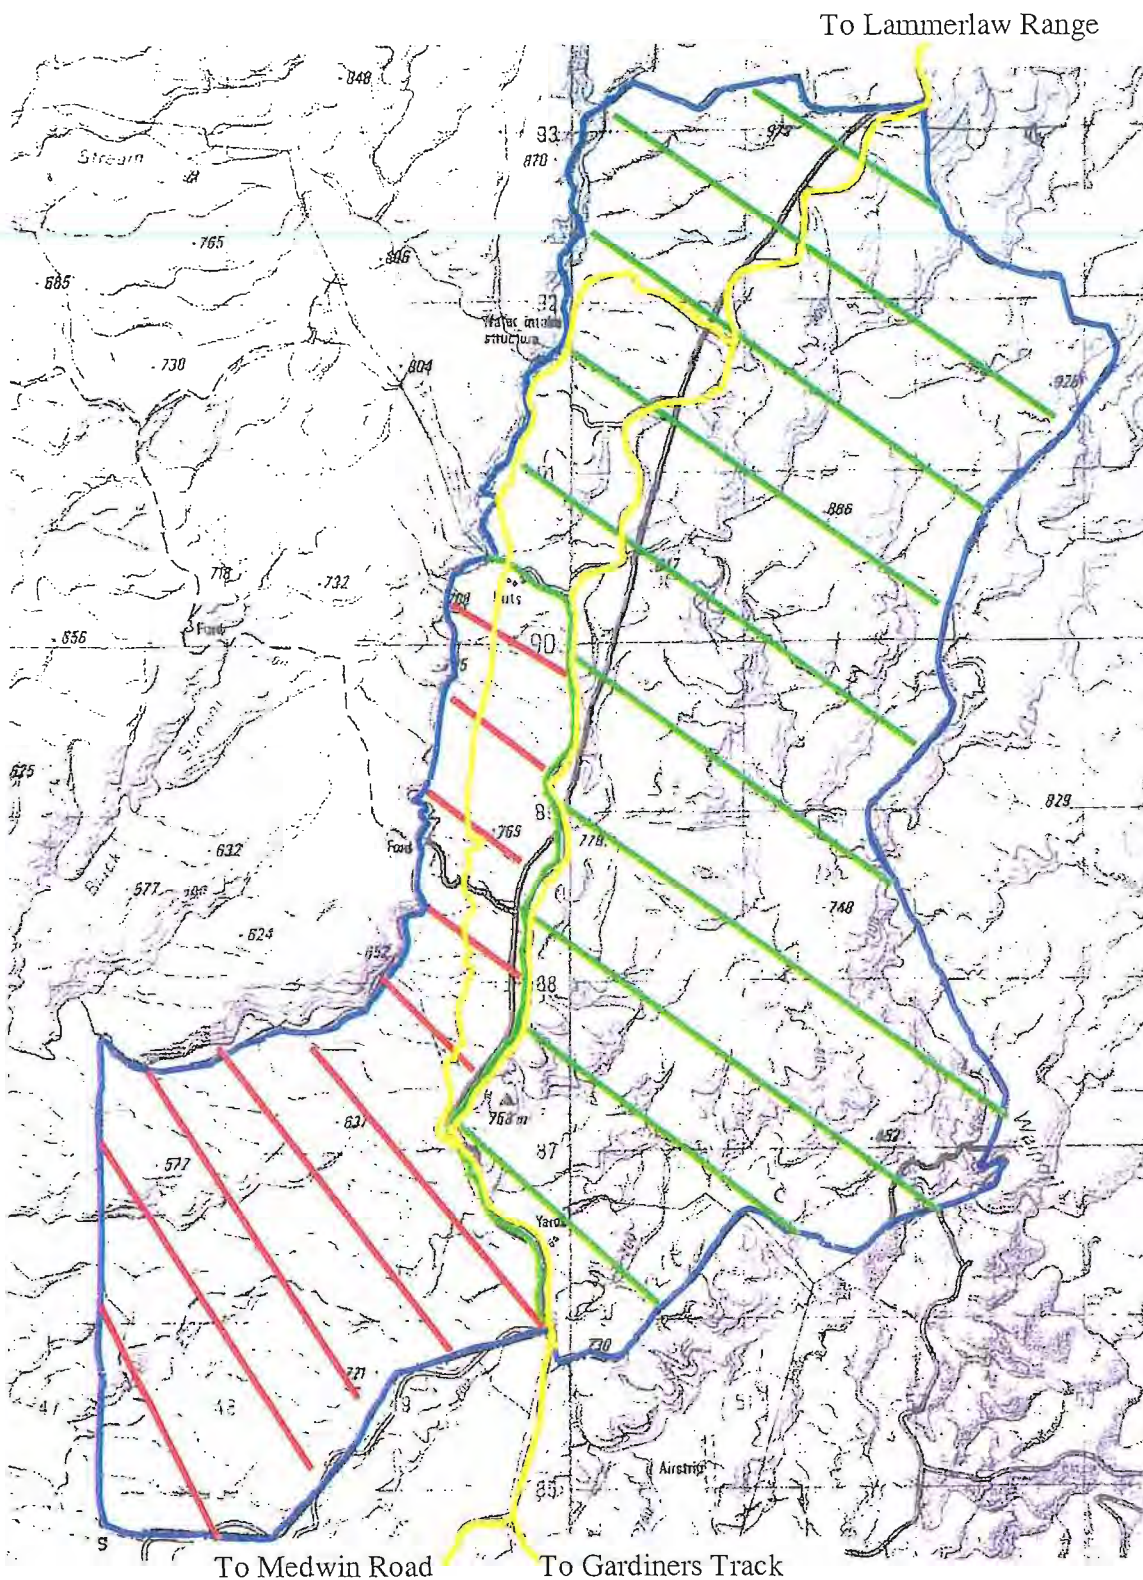

Note: Plans which form part of the Conservation Resources Report are published separately.

These documents are all released under the Official information Act 1982.

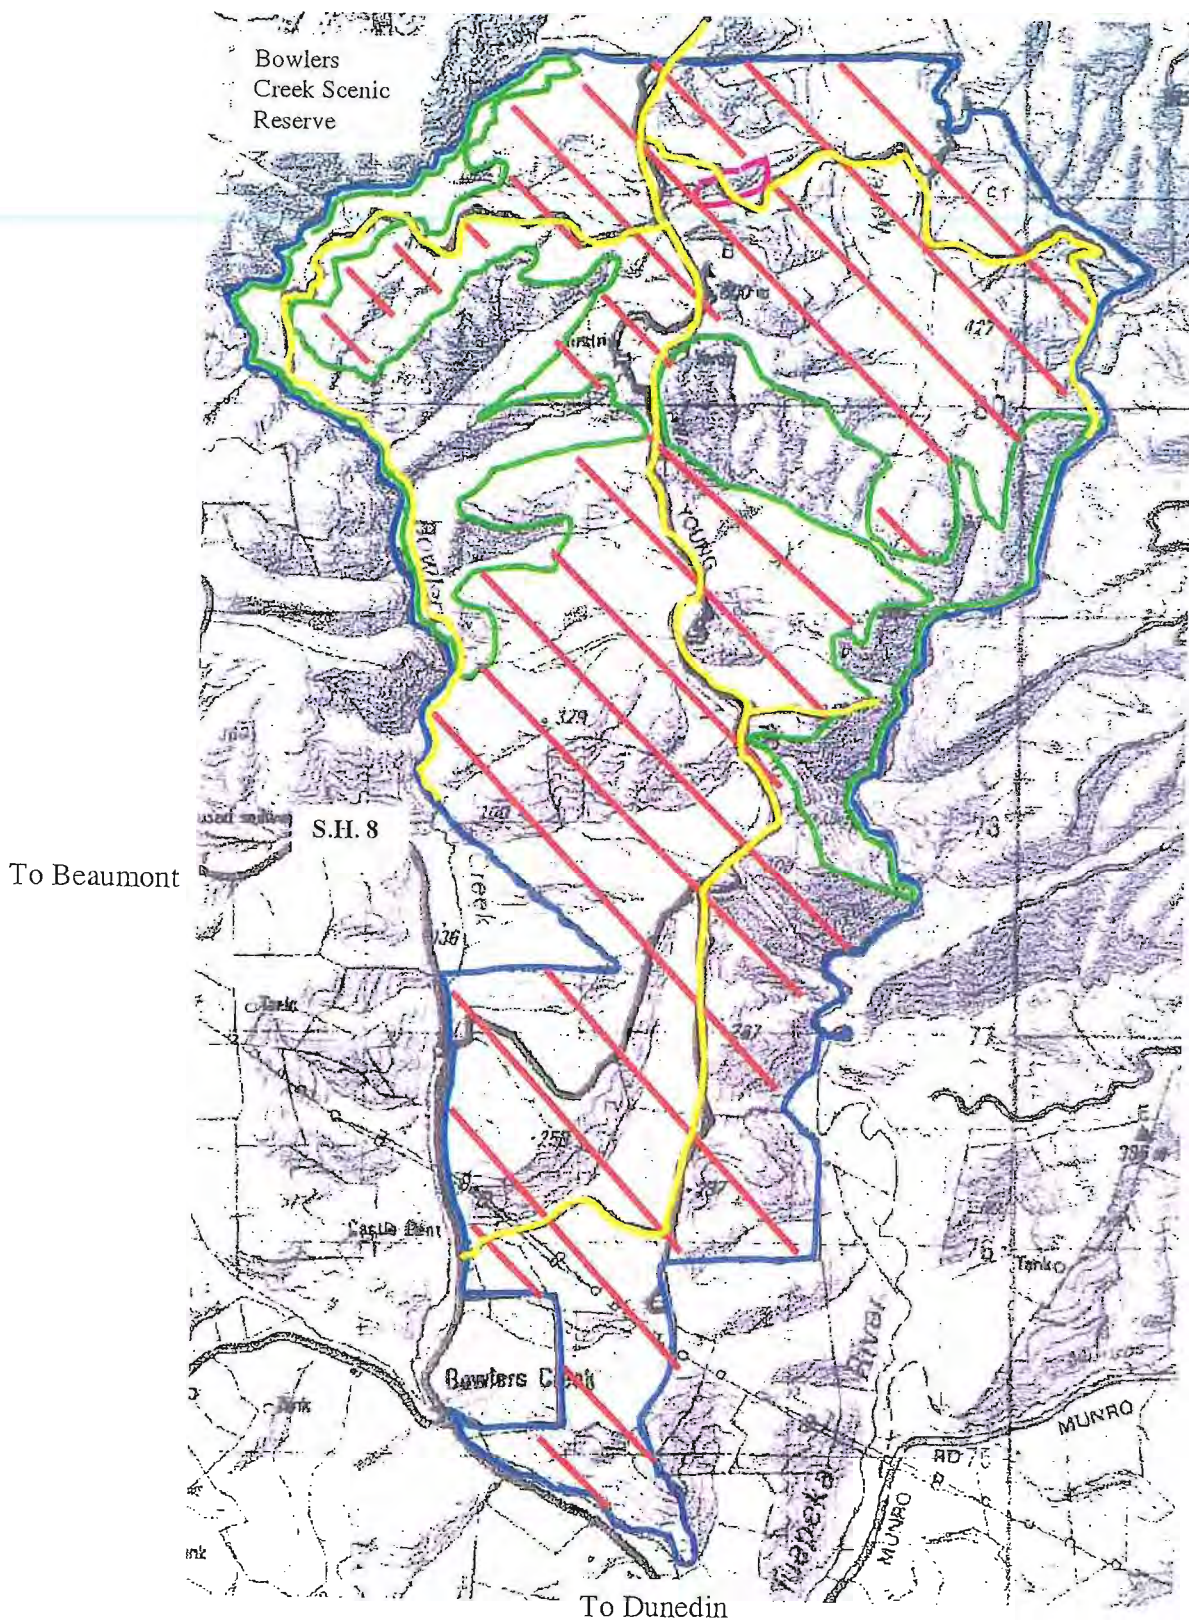

August 05

4.2 Illustrative Maps

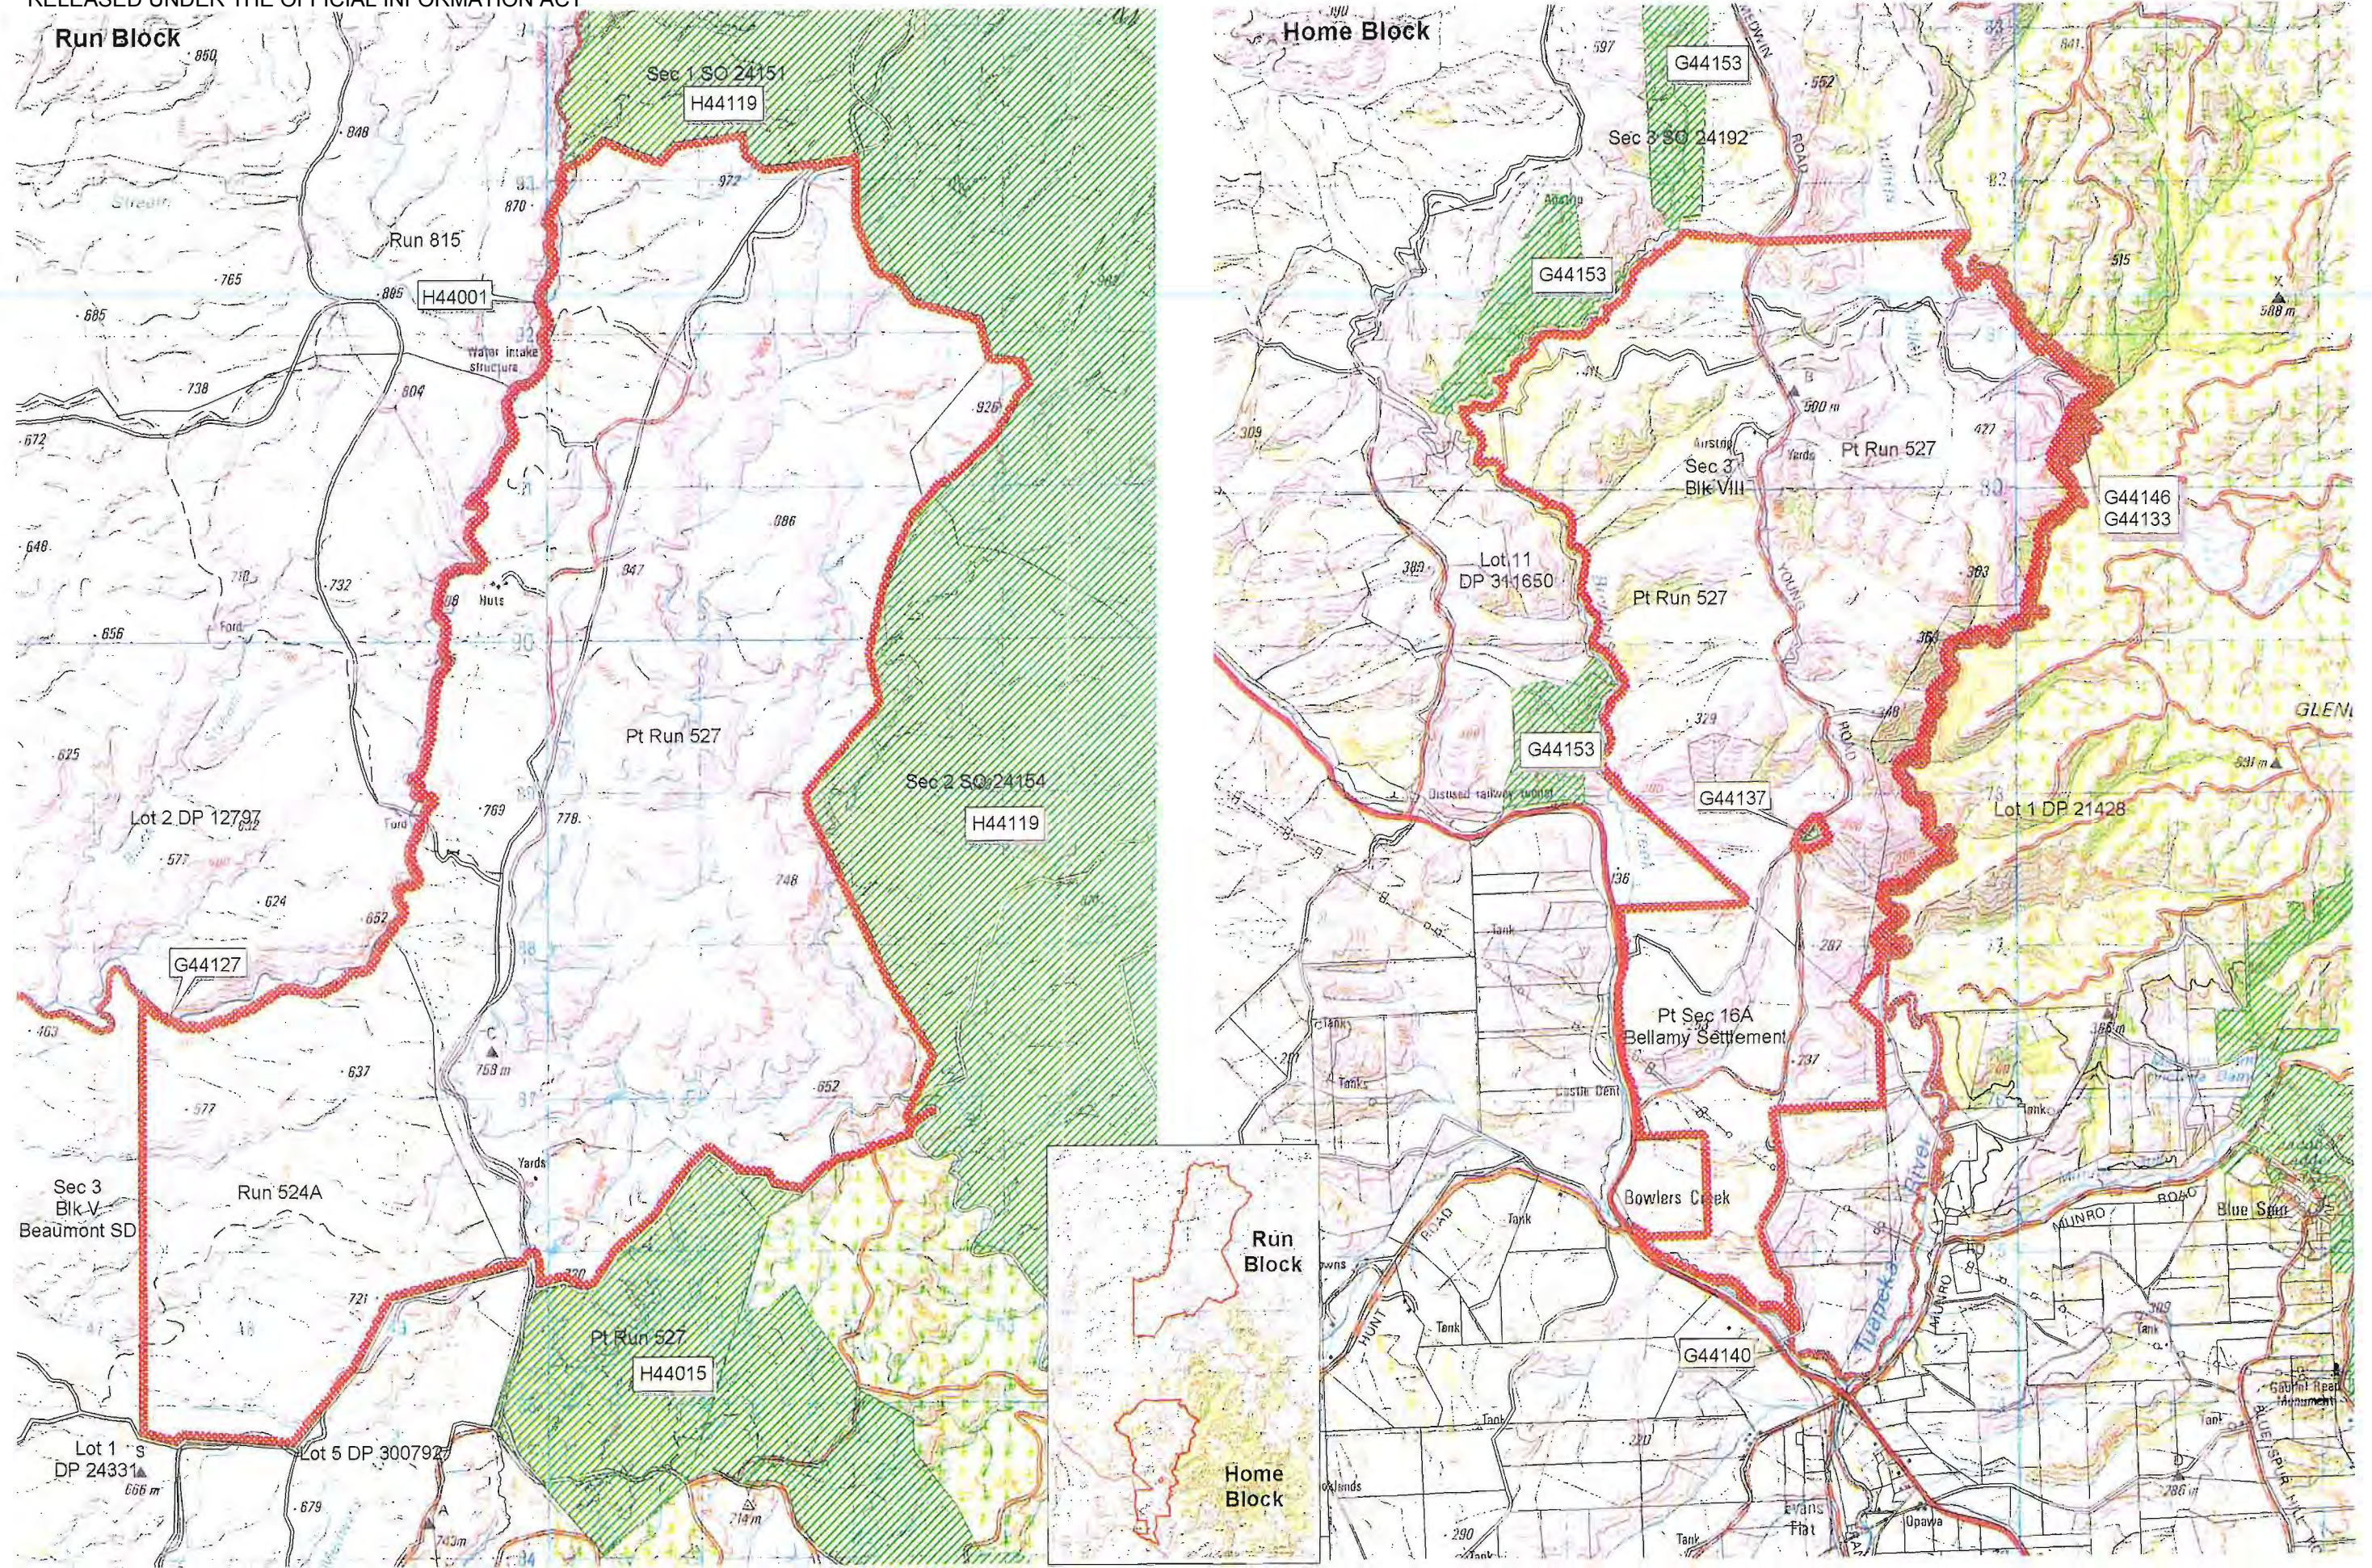

- 4.2.1 Topo/Cadastral**
- 4.2.2 Values - Landscape Units and Landscape values**
- 4.2.3 Values- Ecological/Recreation**

Map 1: Upper block of Castle Dent Pastoral Lease showing preferred outcome of tenure review. Area striped with green should be returned to full Crown ownership and control, while area striped with red could be made freehold. Blue lines indicate the property boundary; yellow lines indicate important public access routes, heavy black lines indicate legal roads.

Map 2: Lower block of Castle Dent Pastoral Lease showing preferred outcome of tenure review. Areas outlined in green should be returned to full Crown ownership and control, while areas striped with red could be made freehold. A small area of kanuka/beech forest could be protected by covenant (pink). Blue lines indicate the property boundary; yellow lines indicate important public access routes, heavy black lines indicate legal roads
