Dear Suzanne

TENURE REVIEW – DUNSTAN PEAKS

The following report provides an assessment of the Fish and Game values associated with the Dunstan Peaks property.

1. The Omarama Stream and has a resident population of brown trout. It is also a spawning ground and juvenile rearing area for the rainbow and brown trout populations of the Ahuriri River and Lake Benmore.
2. We request that marginal strips are laid off alongside Omarama Stream where it lies within the property.

Yours faithfully

Vaughan Lynn
