## **Fish and Game Resources Report for the Glenfoyle Pastoral Lease.**

Prepared by the  
Otago Fish and Game Council

### **Section One - Introduction**

#### *1.1 Purpose*

The purpose of this report is to advise the Commissioner of Crown Lands on the sports fish and game values present on the land included in the Glenfoyle Crown pastoral lease. The lease is being considered for land tenure review and disposal under the provisions of the Crown Pastoral Land Act. As well as habitat values the report covers angling and hunting values and associated access issues.

Information for this report has been researched and prepared by Otago Fish and Game Council staff.

#### *1.2 Location*

Glenfoyle is located to the northeast of Luggate and east of Lagoon Valley. The lease takes in the headwaters of Crook Burn (Clutha catchment) and Camp Creek (Lindis catchment).

### **Section Two - General Resources Information**

#### *2.1 Sports Fisheries Habitat Values*

- **Crook Burn or 8 Mile Creek**

There is a small population of brown trout living in the lower reaches of the Crook Burn. The steepness of the lease restricts population numbers.

- **Camp Creek**

A small resident population of browns and rainbow trout exist in the lower sections of Camp Creek. It is thought that there is some limited spawning in the lower reaches of the river.

#### *2.2 Sports Fisheries Recreation Values*

There are no sports fisheries recreation values on the lease.

*Statutory managers of freshwater sports fish, game birds and their habitats*
