

## **Crown Pastoral Land Tenure Review**

**Lease name : MT DASHER**

**Lease number : PO 030**

### **Conservation Resources Report - Part 6**

As part of the process of Tenure Review, advice on significant inherent values within the pastoral lease is provided by Department of Conservation officials in the form of a Conservation Resources Report. This report is the result of outdoor survey and inspection. It is a key piece of information for the development of a preliminary consultation document.

Note: Plans which form part of the Conservation Resources Report are published separately.

These documents are all released under the Official information Act 1982.
