Attn: Mike Kerr

Dear Mike,

TENURE REVIEW – MT DASHER

The following is an initial assessment of the Fish and Game values associated with this property:

Mt Dasher contains a number of small streams and tributaries, including Deep Creek and Quinns Creek, however it appears there are no sportfishery values on this property, and the marginal strip on Deep Creek is considered adequate to allow for any future management purposes.

We request the retention of all current legal road access and marginal strips.

Yours Sincerely

Bridget Zoe Pringle
