

Crown Pastoral Land Tenure Review

Lease name : MT POTTS

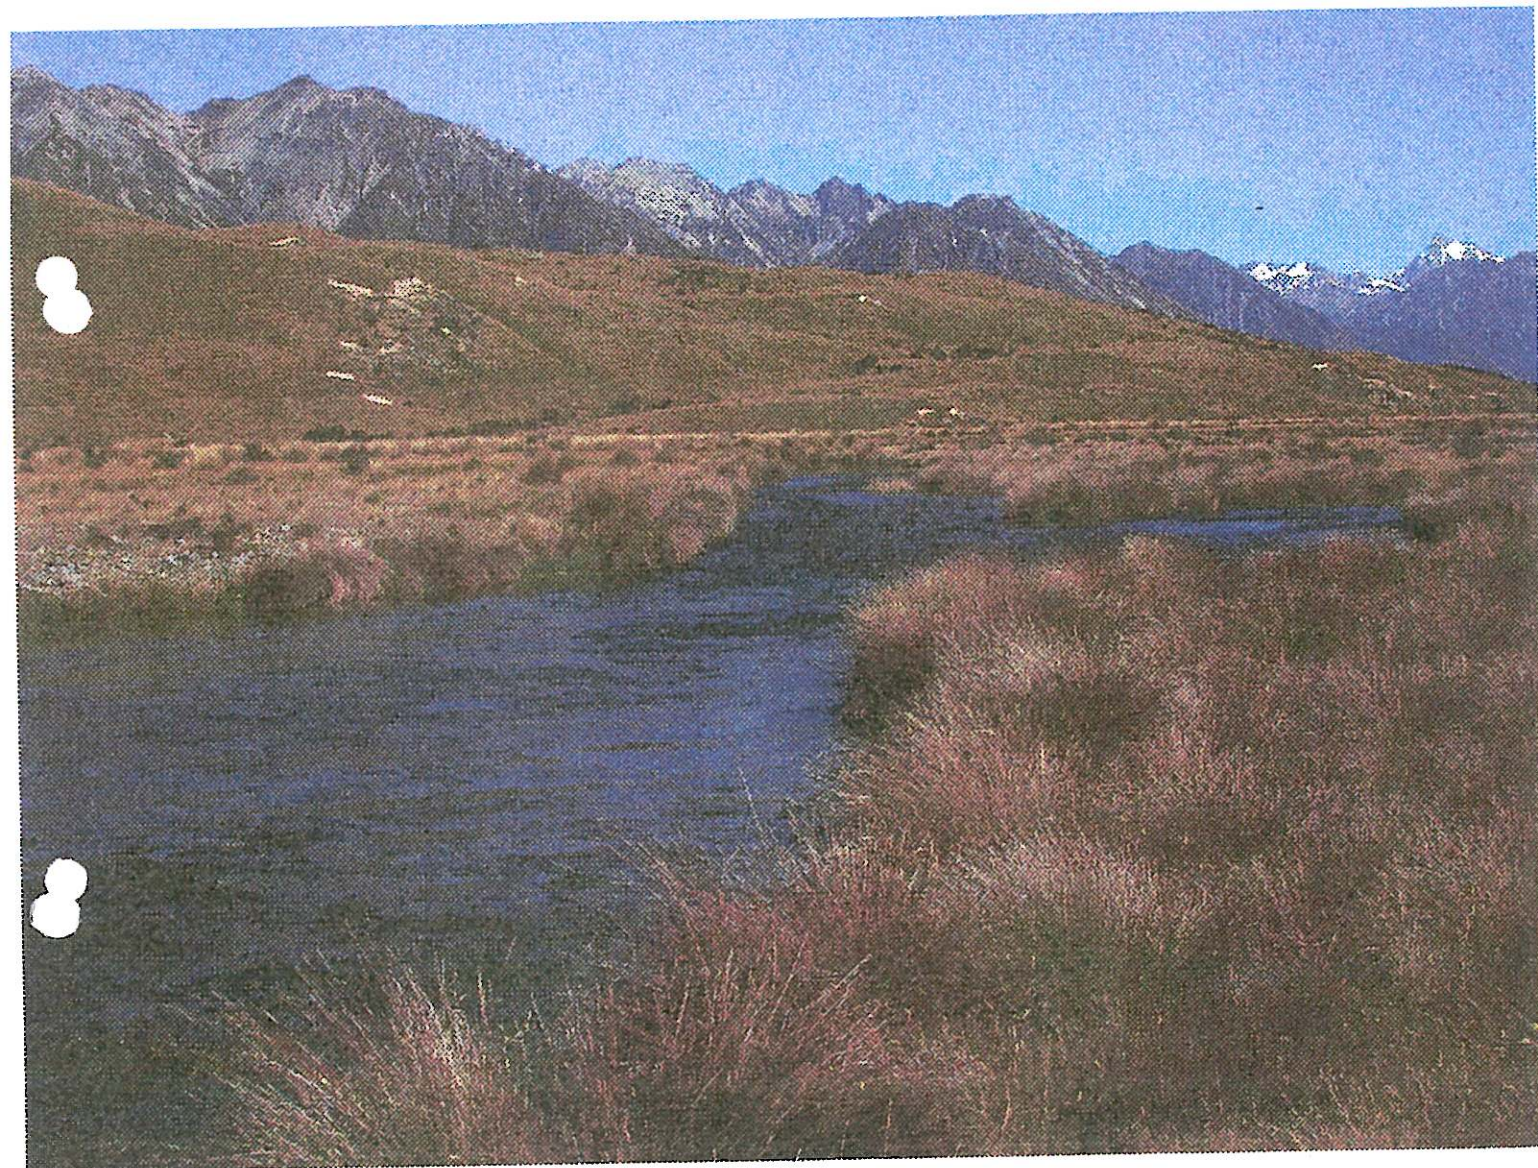

Lease number : PC 143

Due Diligence Report - Photos Pt 2

These plans attach to and support the Due Diligence Report.

They are released under the Official Information Act 1982.

September 05

3. Upper reaches adjacent to Mt Sunday looking upstream. Stream is beginning to branch into smaller spawning streams.

4. **Small salmon spawning stream on the Rangitata River side of Mt Sunday. This stream is typical of any of the dozen or more spawning streams in the headwaters of Deep Creek.**

5. Wetland due south of Mt Sunday. It is elevated about 50 m above the Rangitata riverbed. There is a network of wetlands in the folds of Mt Sunday that feed into this one.

6. Wetland south east of Mt Sunday. This is independent of the other wetlands to the south of Mt Sunday and is elevated about 10 m above the Rangitata riverbed.
