Summary of Designations

Under this Proposal, the Land is designated as follows:

- (b) The Freehold Land (shown edged in green on the Plan) is to be disposed by freehold disposal to the Holder as set out in Schedule Three.

1 The Plan

2 Conditions

- 2.1 This Proposal, and any agreement arising therefrom, is subject to the conditions contained in Schedule Four (if any).

3 Settlement

- 3.1 Unless otherwise agreed by the parties, the Settlement Date for the disposal of the Freehold Land to the Holder by freehold disposal will be the day that is TEN (10) working days following the day on which Land Information New Zealand notifies the Commissioner that the Final Plan and a copy of this Proposal are registered in accordance with the Act.

- 3.2 The Freehold Land will be disposed of to the Holder under the Land Act 1948.

- 3.3 Notwithstanding anything to the contrary, if, as at the Settlement Date (as determined pursuant to clause 3.1), the rent payable under the Lease is subject to a Rent Review, then the Commissioner may elect to:

(a) settle on the Settlement Date on the basis that the Commissioner may retain from the Commissioner's Payment an amount which the Commissioner, acting reasonably, estimates will be payable by the Holder to the Commissioner following agreement or determination of the Rent Review ("the Retention"). The Retention shall be held by the Crown Law Office in an on-call, interest-bearing trust account in the joint names of the parties for their respective rights and interests. Upon agreement or determination of the Rent Review, the Commissioner shall calculate the rent shortfall payable by the Holder to the Commissioner in respect of the period from the effective date of the Rent Review to the Settlement Date, both dates inclusive ("the Shortfall").

If:

(i) the Shortfall is less than the Retention and the net interest earned thereon, the balance shall be paid by the Commissioner to the Holder within TEN (10) working days; or

(ii) the Shortfall is more than the Retention and the net interest earned thereon, the balance shall be paid by the Holder to the Commissioner within TEN (10) working days.

or

(b) defer the Settlement Date until TEN (10) working days after the rent payable as a consequence of the Rent Review:

(a) has been agreed or determined; and

(b) is not and will not be subject to any appeal, rehearing or other proceedings.

4 Holder's Payment

- 4.1 By 3.00 p.m. on the Settlement Date, the Holder must pay the Holder's Payment and all other money payable to the Commissioner or the duly appointed agent of the Commissioner by bank cheque without set-off or deduction of any kind in accordance with the settlement requirements of the Commissioner.

- 4.2 If the Holder fails to pay the Holder's Payment or any part of it or any other money to the Commissioner or to the duly appointed agent of the Commissioner on the Settlement Date clause 19 will apply.
-

5 Commissioner's Payment

- 5.1 The Commissioner shall pay the Commissioner's Payment to the Holder on the Settlement Date.
- 5.2 No interest shall be payable to the Holder by the Commissioner in respect of the Commissioner's Payment, including (without limitation) for the period from the Vesting Date to the Settlement Date.

6 Vesting of Crown Land

- 6.1 The Crown Land will vest in the Crown on the Vesting Date.

7 Issue of Certificate of Title

Any new mortgage will be registered after any other encumbrances such as any easements and/or covenants are registered.

9 Consents

- (a) any Mortgagee(s);
 - (b) any party entitled to the benefit of a land improvement agreement registered against the Lease and/or the Land; and
 - (c) any other person that the Commissioner reasonably believes has an interest in the Land or who the Holder reasonably believes has an interest in the Land, whether registered or not.
- 9.2 The consents required under clause 9.1 must be in a form acceptable to the Commissioner in all respects and be returned to the Commissioner with this Proposal on its acceptance by the Holder. Examples of the form of consents required under clause 9.1 are set out in Appendix 1.

- 9.5 If required by the Mortgagee, the Commissioner will provide an undertaking that, subject to the provisions of clause 7 being satisfied, the Commissioner will register the discharge of the Mortgage and register any new mortgage against the certificate of title for Freehold Land at the same time as the certificate of title for the Freehold Land issues.

10 Continuation of Lease

Notwithstanding when Settlement Date occurs, until a certificate of title issues for the Freehold Land the Holder will duly and punctually comply with all obligations on its part under the Lease (other than as set out at clause 12.1 (b)) and the Lease will remain in full force and effect.
- 10.2 From the date that a certificate of title is issued for the Freehold Land the Lease is deemed to be surrendered and, subject to clause 10.3, the Commissioner releases and discharges the Holder from the performance and observance of all covenants, conditions and obligations under the Lease.
- 10.3 The release and discharge in clause 10.2 is without prejudice to:
- (a) the rights, remedies and powers of the Commissioner contained in the Lease (except as varied in accordance with clause 12.1(b)); and
 - (b) will not release or discharge the Holder from any liability under the Lease, arising prior to the date that the certificate of title for the Freehold Land is issued, under any statute or by any reason where such liability is due to the fault of the Holder.
- 10.4 As from the Vesting Date, the Holder will not have any estate, right or claim against any of the land, improvements, fencing, buildings, structures, fixtures, fittings or chattels on the Crown Land (subject to the provisions of any permit, easement, concession, other encumbrance or document provided under this Proposal). The Holder will not be entitled to any compensation for any of its improvements, fencing, buildings, structures, fixtures, fittings or chattels which are on the Crown Land as at the Vesting Date.

11 Fencing and Construction

- 11.2 The Commissioner will erect the fencing referred to in clause 11.1 according to the specifications in Appendix 3. The ongoing maintenance of the fencing referred to in clause 11.1 will be under the terms of the Fencing Act 1978.
- 11.3 If the Commissioner has not completed any fencing as set out in Appendix 3 by the Settlement Date, the Holder agrees that the Commissioner may register a covenant, on terms entirely satisfactory to the Commissioner (in the Commissioner's sole discretion), over the Freehold Land to enable the Commissioner to complete such fencing. The Holder will do all things necessary (including signing any document) to enable the Commissioner to register such a covenant.
- 11.4 If the Holder has accepted this Proposal and that acceptance has taken effect pursuant to the Act, the parties will (or the relevant will (as the case may be)) undertake the construction works set out in Appendix 3 on the terms and conditions set out in Appendix 3.

12 Apportionments

- 12.1 Rent payable under the Lease in respect of the Freehold Land shall be apportioned as follows:
- (a) Rent paid or payable will be apportioned on the Settlement Date as at the Settlement Date and either deducted from or added to (as the case may be) the amount required to settle.
 - (b) Notwithstanding that the Lease continues in effect until a certificate of title issues for the Freehold Land, the Holder shall not be required to pay any rent under the Lease for the Freehold Land from the Settlement Date.

- 12.5 Following the date that a certificate of title issues for the Freehold Land, the Commissioner will undertake a final apportionment and either the Commissioner will pay to the Holder, or the Holder will pay to the Commissioner, any additional amounts due because of any payments made or received by one party on behalf of the other for the period from the Settlement Date to the date on which a new certificate of title issues for the Freehold Land.

13 Risk

- 13.1 On and with effect from the Unconditional Date all risk of any nature in respect of the Freehold Land will pass from the Commissioner to the Holder. For the avoidance of doubt, the Holder's current risk in respect of matters arising under the Lease, including, without limitation, the Holder's risk in respect of all improvements, buildings, fencing, fixtures, fittings and chattels, will continue to remain with the Holder until the Lease is deemed to be surrendered under clause 10.2.

14 Survey

- 14.1 All areas of the Land forming part of this Proposal and delineated on the Plan are approximate and subject to preparation of the Final Plan. The measurements of the areas may therefore alter on the Final Plan.
- 14.2 No error, misdescription or amendment of any part of the Land will annul, vary, or derogate from this Proposal, or the Holder's acceptance of this Proposal.
- 14.3 For the avoidance of doubt, the Holder will not be entitled to cancel or withdraw its acceptance of this Proposal, nor will the Holder, or any successor in title of the Holder or any party with an interest in the Land, be entitled to payment of any compensation, should any area of the Land on the Final Plan have a different measurement to the area specified in this Proposal.
- 14.4 The Commissioner does not warrant that any existing fence is erected on, or that any new fence to be erected will be on, any boundaries of the Land or any part of the Land as outlined on the Plan or the Final Plan.

Schedule One: Provisions relating to the Schedule One Land

1 Details of Designation

- 1.1 Under this Proposal the land shown edged in pink on the Plan and labelled SR1, being 104 hectares (approximately) is designated as land to be restored to or retained in full Crown ownership and control as a Scenic Reserve

- 1.2 Under this Proposal the land shown edged in pink and labelled SR2 on the Plan, being 6 hectares (approximately) is designated as land to be restored to or retained in full Crown ownership and control as a Scenic Reserve

Schedule Two: Provisions relating to the Schedule Two Land

1 Details of designation

1.1 Under this Proposal the land shown shaded in pink and labelled CA1, CA2, CA3 and CA4 on the Plan, being 7,699 hectares (approximately) is designated as land to be restored to or retained in Crown control as conservation area subject to

- (a) the granting of a Tourism Concession substantially as set out in Appendix 4

2 Information Concerning Proposed Tourism Concession

Description of the proposed activity:

Tourism Concession Licence for the adjoining landholder for the purpose of the business of guided tramping and guided hunting.

Description of area where proposed activity to be carried out and proposed status:

The area of the Concession Activity is over the area designated as Conservation Area of 7,699 hectares approximately in the Redcliffe tenure review under the CPLA and includes the northern end of the Mt Hutt Range to Steepface Hill, Rat Hill, Mt Hecla and the north-western faces of Mt Bruce and adjoining the Swift River on the western boundary.

Description of potential affects of proposed activity and any actions proposed to avoid, mitigate or remedy any adverse affect

The Tourism Concession is limited to guided tramping and guided hunting. The potential effects include potential damage to the flora and fauna by people moving through the area although this may also happen with general public use of the Conservation Area for similar purposes. The Concession Licence document ensures that the provisions of the Conservation Act apply and includes monitoring of the concession activity. Through Schedule 2 limitations are placed on party sizes and it ensures the rights of the public are not restricted. The concession provisions ensure that all potential affects will be minimal.

Details of the proposed type of concession:

A Tourism Concession Licence under S. 17Q (1) Conservation Act 1987.

Proposed duration of concession and reason for proposed duration.

Proposed duration: 10 years.

The Tourism Concession Licence was sought during the consultation phase. A grazing concession had been sought by the holder but after consideration it was decided a tourism concession would allow for the diversification of the holders farming activities to enable the viability of the property to continue. A tourism concession will also have significantly less environmental impact than grazing on the proposed Conservation Area.

Relevant information:

The holders of Redcliffe, William Ensor and Sarah Ensor, have entered into this review voluntarily. The proposed tourism concession is needed for the diversification of the property following the completion of tenure review. The Ensors have farmed the property successfully for a significant

number of years and will be able to build on their knowledge of the property in diversifying into tourism activities. The proposed tourism activities will have minimal impact on the area.

Schedule Three: Provisions relating to the Schedule Three Land

1 Details of designation

- 1.1 Under this Proposal the land shown edged in green on the Plan, being 1,383 hectares (approximately) is designated as land to be disposed of by freehold disposal to the Holder subject to:
- (a) Part IVA of the Conservation Act 1987;
 - (b) Section 11 of the Crown Minerals Act 1991;
 - (c) the vehicles for management purposes easement marked as **a-b** and **c-d** on the plan and substantially as set out in Appendix 5;
 - (d) the public access and vehicles for management purposes easement marked **e-f**, **g-h** and **i-j** on the plan and substantially as set out in Appendix 5.
