Any fee simple title arising from freehold designation of Crown owned land will be issued subject to marginal strips along streams, rivers and lakes (that meet the criteria set out in Section 24 Conservation Act 1987) if the creation of marginal strips has not already been triggered by the issue or renewal of a lease.

The boundaries shown on this plan are indicative and are for illustrative and discussion purposes only. No guarantee of accuracy can be given until the survey data supporting the boundary positions is researched thoroughly when the survey prescription is prepared.
