③ Terms and conditions

Scholarships

1. Each scholarship is up to a maximum of NZ\$5,000 for undergraduate or postgraduate course or programme fees for Geographic Information Science (GIS) related courses or postgraduate research undertaken during the period of 2024-26 academic years.
2. Scholarship payments are on the basis of fees reimbursement after passing approved courses and the scholarship holder supplying official receipts and transcript results to Toitū Te Whenua.
3. Key eligible GIS related courses are those listed on the Toitū Te Whenua website at [New Zealand tertiary GIS papers, programmes and contacts](#). Applicants can email Toitū Te Whenua at scholarships@linz.govt.nz to enquire about eligibility of other GIS related courses or programmes that may not be listed at the above link.
4. In each Academic year, Toitū Te Whenua will typically award a minimum of two undergraduate and two postgraduate tertiary GIS scholarships. Toitū Te Whenua reserves the right to award no scholarships or to award a greater number of scholarships. Toitū Te Whenua's decisions about awarding or not awarding scholarships are final and no correspondence will be entered into.

Process

5. Applications are open from 2 October 2023 until 12 November 2023. Late applications will not be considered.
6. Applications for GIS Scholarships must be made on this Application form. Applicants will receive a confirmation email that their application has been received.
7. Referees will be contacted for shortlisted applicants.
8. A notification email about whether an application has been successful or not will usually be sent within six weeks of the application closing date.

Eligibility

9. Applications are open to students enrolled at a New Zealand university or other New Zealand tertiary institute who are New Zealand citizens or permanent residents and also:
 - (for undergraduate scholarship) have completed their first year of tertiary studies or will complete it during 2023
 - (for postgraduate scholarship) have completed an undergraduate qualification or will complete one during 2023.
10. If you are currently employed, engaged or contracted by Toitū Te Whenua then you are not eligible for the GIS Scholarships.

Selection criteria

11. Selection of successful applicants will be based on the following:
 - Eligibility requirements being met
 - Information provided by each applicant including a letter stating:
 - why you are taking and/or plan to take GIS related courses
 - why you are applying for this scholarship
 - how a scholarship will help contribute to [Toitū Te Whenua's Strategic intentions](#).
 - Prior tertiary study results
 - Referee feedback (for shortlisted applicants).

Privacy

12. The personal information provided in your application will be stored securely and protected against unauthorised access.

General

13. Toitū Te Whenua may from time to time amend these Terms and Conditions and application information required.
14. These terms and conditions are governed by, and interpreted in accordance with, the laws of New Zealand.
