Dear [REDACTED]

**Response to your official information request**

Thank you for your official information request received on 15 May 2023 for the **“information around the rationale of the reporting dates being shifted back 5 years (from the first reporting date in 2021 to now being 2026)”**.

Our response

Fletcher Residential (the **Consent Holder**) was granted consent in 2020 to acquire land at Riverhead. This was the first of three land acquisitions by the Consent Holder for the purposes of a large housing development.

Consent was granted for the remaining two further properties in 2022. At the same time, the reporting dates for the first property were varied to align with the reporting dates for the second and third properties. LINZ retains the ability to require Fletchers to report to us at any time.

If you wish to discuss this response with us, please feel free to contact [oio@linz.govt.nz](mailto:oio@linz.govt.nz)
