Response to your official information request

Thank you for your Official Information Act request received on 4 August 2023 for a copy of the Assessment Report relating to case 202200398 - Aquila Capita Holding GmbH & Far North Solar Farm Limited.

Please note the applicant made another two applications in conjunction with the application under 202200398, one under case number 202200401 and the other under case number 202200400 and all three applications were incorporated into one Assessment report. There are too many overlapping features resulting in an inability to produce a separate Assessment Report for case number 202200398.

Some of the information requested is enclosed. However, information relating to a shareholder, Aquila ownership structure and the signature of a LINZ employee have been redacted under section 9(2)(a) of the Official Information Act 1982 to protect the privacy of natural persons. Information relating to project and investment details have been withheld under the Official Information Act 1982 s.9(2)(b)(ii) to prevent commercial prejudice.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note, this response letter outlining our decision on your request, **with your personal details withheld**, and any attached documentation will be published on the Toitū Te Whenua Land Information New Zealand's website. This is likely to be published within the next month.
