Thank you for your official information request received on 13 December 2023 for

[Overseas investment decision for case 202300319 - Genesis Energy Limited and FRV NZ1 Limited as partners in an unincorporated joint venture, the Solar-Gen JV, for and on behalf of Lauriston Solar Project \(2023\) Limited Partnership | Toitū Te Whenua - Land Information New Zealand \(linz.govt.nz\)](#)”

Some of the information you have requested is enclosed. However, information relating to:

- details of the consideration paid, and the terms and conditions of any leases entered into by the Applicants;

- references to limited partners, their ownership interests and their ultimate ownership; and
- details of the Applicants’ business/investment strategy

have been redacted under section 9(2)(b)(ii) of the Official Information Act as release would be likely to unreasonably prejudice the commercial position of the person who supplied or who is the subject of the information.

In addition, material relating to the ultimate beneficial owners of the FRV Group has been redacted under section 9(2)(a) of the Official Information Act in order to protect the privacy of natural persons.

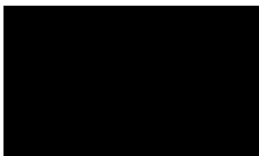

We are of the view the withholding of the information is not outweighed by the public interest to make that information available.
