Response to your official information request

Thank you for your official information request received on 16 February 2024 and further clarification dated 22 February 2024 for:

"A copy of any pending applications or decisions held by the Overseas Investment Office insofar as they relate to ensuring that Wilsons Road, Havelock is reopened to the public in a timely manner. The subject land is held in MB5A/22 (DP 7937T). The registered owner is OneFortyOne New Zealand Limited."

We have conducted a search of our records and can confirm that we do not hold any pending applications or decisions relating to Wilsons Road, Havelock being reopened to the public. For completeness, please note that Crown forestry licences are not screened under the Overseas Investment Act 2005 (this is because under the Crown Forest Assets Act 1989 a Crown forestry licence does not confer an estate or interest in land).

If you wish to discuss this decision with us, please feel free to contact:
