Response to your official information request

Thank you for your official information request received on 27 April 2023 requesting:

"The OIO Application Assessment Report, all monitoring reports any third-party submissions received either during the application process or following consent being granted, and any investigations documentation relating to Envirowaste - Case 201810134".

Please find enclosed the second tranche of the information requested being All monitoring reports.

Some of the information has been refused under the following sections of the Official Information Act

- 9(2)(a) to protect the privacy of natural persons.
- 9(2)(b)(ii) as the release of the information unreasonably prejudice the commercial position of the person who supplied or who is the subject of the information.

In relation to your request for any investigations documentation we advise that there are two investigations relating to Envirowaste's consent 201810134 being:

Investigation 1 – standard 'good character' condition and related reporting condition

We are currently consulting with the consent holder on the release of information for this investigation, which has been closed.

We expect to be able to release this information by **2 June 2023**.

Investigation 2 – walking access condition

As you are aware, we are still investigating whether Envirowaste has complied with this condition of consent.

We are unable to release documents for this case while it remains an open investigation.

The documents on this investigation are withheld under s6(c) of the Official Information Act 1982, as the release would prejudice the maintenance of the law, including the detection and investigation of offences.

Please note there were no third-party submissions received either during the application process or following consent.

If you wish to discuss this decision with us, please feel free to contact Ministeralsupport@linz.govt.nz

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note, this response letter outlining our decision on your request, with your personal details withheld, and any attached documentation will be published on the Toitū Te Whenua Land Information New Zealand's website. This is likely to be published by 30 June 2023
