Dear April

**Port of Tauranga Limited - Application for freehold interest in reclaimed land**

1. We write in respect of the above matter.
2. Whilst our client appreciates the effort you have taken to provide us with weekly updates since our 12 June 2018 letter, real concern remains that there has been little actual progress behind these updates.
3. Our client appreciates that proper process needs to be followed and that particular elements of our client's vesting application may be of a complex nature, however almost a further 5 months has passed and our client is still yet to see the valuation or the draft Determination. The concern is now that this matter will get 'parked' in the lead up to Christmas particularly as, despite our requests, we have not been provided with any timing indications to date.
4. We request, on behalf of our client, that the valuation and the draft Determination be provided to us by Friday 23 November 2018, to allow our client to review and comment to you by return this side of Christmas.
5. We look forward to hearing from you.

Yours faithfully
