Official Information Request

Thank you for your letter of 25 October 2016 seeking information on parcels of land located at Sulphur Point, Tauranga.

I can advise there are no historical claims or pending claims over the land. I can also advise that the land is not being considered as potential redress in any settlement of historical Treaty of Waitangi claims as at today's date.

The Marine and Coastal Area (Takutai Moana) Act 2011 will only affect the common marine and coastal area abutting the specified parcels at land at Sulphur Point. I can confirm that no applications for customary marine title have been received in the common marine and coastal area abutting the area in question.
