## Requirements for notification of call-in transaction

Pursuant to section 87 of the Overseas Investment Act 2005 (Act), the Minister hereby authorises the manner in which a notification under section 85 of the Act must be given.

### Section 87 (1) (a) the required content of the notification

- Information about who is making the investment including contact and personal details and a copy of a passport for each individual/s, trustee/s or directors involved in the transaction
- Details about the transaction such as (but not limited to) vendor, consideration and details of the target business or asset(s)
- Detail regarding the investor and the investor's ownership and operations in New Zealand and/or overseas
- Information about the operations, industry and financials of the investor themselves and the target asset(s) or business.

### Section 87 (1) (b) the approved or prescribed form for the notification or 1 or more methods for making the notification (or both)

The Minister approves the online form 'Emergency Notification Form', including any minor changes made by the regulator from time to time, as form for the notification.

The 'Emergency Notification Form' is available on the Land Information New Zealand website at: [www.linz.govt.nz/OIOnewrules](http://www.linz.govt.nz/OIOnewrules)

### Section 87 (1) (c) those authorised to give a notification on behalf of the overseas person or associate referred to in section 85 (1)

The Minister authorises that the notification may be given on behalf of the overseas person or associate provided that the person making the notification;

- has knowledge of the facts contained in the notification, and
- is authorised by the overseas person or associate to give notification.

The Minister authorises that the notification may be given on behalf of the overseas person or associate in other circumstances with the agreement of the regulator.
