Feedback on LINZG20720: Interim guideline for Unit Titles Act 2010

Name:	
Organisation (if applicable):	
Email address:	Phone no:

Is there any information missing from the guideline that you would like to see added?

If so, please provide detailed comments in the box below, including a reference to the document being commented on and the page number. You can also scan and attach any drawings or diagrams to assist.

Comments and/or observations:

--

If you have any suggestions for improvements to the content of any part of the guideline, please provide detailed comments in the box below.

The rows will automatically expand to accommodate comments of any length. To insert extra rows at the end of the table, go to the last cell and press the TAB key.

Paragraph	Page	Recommended changes and reason

CONFIDENTIALITY

LINZ is required to carry out its functions with a high degree of transparency. Accordingly, please be aware that any information provided to LINZ may be discussed with or provided to other parties. Please identify any information that you wish to remain confidential and provide reasons for this. You should also be aware that LINZ is subject to the Official Information Act 1982.

Any other comments? Please provide them in the box below.
